Rooms Wanted—Anyone having room or rooms available for rent during the T. & N.O. Bonspiel being held in Haileybury the week of February 9th to February 15th, 1953, please telephone Ian D. MacDiarmid at No. 10 or 629 or John Thomson at 129.

Your guess is as good as ours for naming what the versatile emcee of "Musical Kitchen" is playing. Cliff tells us the musical instrument was made in Germany several years ago, to enable the owner to obtain a certain obscure musical sound and is reputed to be the only one of its kind in existence. The other instruments are easily identified.

OBITUARY

WARRINER

The death of George Allen Warriner occurred on Sunday December 28th in Sunnybrook Hospital, where he had been a patient for two months.

Born in 1898 at Yorkshire England, Mr. Warriner came to Canada twenty-eight years ago and settled in Sarnia.

While living in Toronto, he joined the Veterans' Guard and shortly after came to the North Country in 1942. He was employed with the Wabi Iron Works in New Liskeard where he acted as foreman in the yard.

In 1944, he married Sarah Sutherland of Haileybury and formerly of Durham, England, who survives him. Other survivors are two stepsons, Tom and Jack Sutherland of Haileybury three sisters in England and two brothers, Thomas and Bill, of Sarnia.

Rev. D. Knox conducted the funeral service and burial was in the Veterans' Plot, Mount Pleasant Cemetery, Haileybury.

Pallbearers were W. H. Davis, Arthur Davis, Harvey Benoit and Alfred Seed of Haileybury, Lloyd Palmer of North Cobalt and John Watchhorne of New Liskeard.

Carrie Gray Hold
First Meeting of '53

There was a good attendance at the first meeting this year of the Carrie Gray which took place at the home of Mrs. H. Brown on Rorke avenue on Monday evening. The installation of officers for the next term took place and the annual reports were read. Arrangements were made to hold a Valentine tea in February.

Mrs. W. C. Arnold, Mrs. Iat MacDiarmid, Mrs. J. Valentine and Mrs. K. Valentine assisted the hostess, Mrs. Brown, with the lunch.

Prince Edward Island was the only province listing no bootblacks in the 1951 census.

Announce Changes in Salvation Army Personnel Here

Lieut. Ralph Ingleby, OC of the Cobalt-Haileybury Salvation Army Corps since February, 1951 has been notified that he is to report for duty at the Whitby SA Citadel next week.

Lieut. Ingleby has done good work in this field and his many friends will regret his removal from this district and at the same time wish him success in his new work. He will be succeeded here by Second Lieutenant B Craddock from Whitby. The two are exchanging charges.

Lieut. W. Storms, who came to Cobalt last July as Lieut. Ingleby's assistant, has also received notice from headquarters that he will be moved to a new field.

Born in Iroquois Falls, Lieut. Ingleby has always been partial to the North Country and spoke of how much he had enjoyed his charge here. He expressed his appreciation of those who had so ably assisted him in the annual Red Shield campaign and wished to thank his many friends for their continued help through the year.

His successor, Mr. Craddock was born in England and lived in Victoria, B.C. before coming to Toronto to study at the Booth Memorial College. He was a fellow graduate of Lieut. Ingleby, both being members of the class of 1950. His post in the area will bring him to the North for the first time as his work has been in Southern Ontario towns since his graduation.

Report on Ground Water Beneficial to Farmers

The report on Ground Water in Ontario has just been published by the Ontario Department of Mines is expected to enjoy wide readership among farmers in the Province. The report has been made available without charge on application to the Publications branch of the Department. It deals with considerable detail with the general occurrence of ground water, fluctuations of water tables in various parts of Southern Ontario as revealed by observation wells, and a description of geological formations with their water-bearing potentialities.

The work includes a review of water-well legislation passed since 1945 when ground water studies and the collection of data pertaining to them were begun. Also included is a list of licensed water well drillers in all areas. Finally a comprehensive table indicates ground water data and logs of almost 1200 wells.

This report is the first of a proposed series to supply accurate data on the ground water resources of Ontario, based on information obtained from observation wells and thousands of other wells drilled throughout the Province every year.

In the year up to June 1, 1952, new immigrants arrived in Canada at the rate of 590 each day; in the same period 332 Canadians died each day, 145 emigrated, and there were 1,036 births, giving Canada a net population increase to 1,149 per day.

Calendar of Events

Ski Club dance and tobogganing, Jan. 30th, at 8.30 p.m.

Activities:
Carrie Gray—Valentine Tea, Feb. 14th.

More than 10,000 tons of iron ore per day, some from Canadian mines, some from the U.S., are required for the blast furnaces of Canada's expanding steel industry.

The higher tax on candy cut the sale of chocolate bars from 37 million dozen bars in the first half of 1950 to 23 million dozen in the corresponding period of 1952.

For every dollar of taxes Canadians paid in 1939 they paid \$2.8 at wartime peak, 1944, and this year will pay about \$4.50.

Card of Thanks

In the midst of our sorrow we wish to express heartfelt thanks. We especially wish to thank the Rev. Norman D. Knox for his consoling words; all the donors of the many beautiful floral offerings, the pallbearers, Dr. Ledwell, friends and neighbors for their kindness to us.
