JAKE AND THE KID—When Jake opens his mouth The Kid listens, and so do countless radio fans from Newfoundland to BC.—Probably because Jake's ideas originate in the fertile imagination of his and The Kid's creator, W. O. Mitchell. Each Sunday the CBC dramatizes one of their amusing experiences, with the action usually set in the fictional town of Crocus, Sask. where the sense of humor is as dry as the soil and as unexpected as roses in a ditch. The above sketch is artist Douglas Stiles' impression of the prairie pair.
