Ontario's mines is held by Canadians.

Traditionally, Governments are spending bodies. The Mines Department, however, is in the happy position of being a profit making branch of the government. Modest fees and the sale of mining lands will leave a surplus of \$3,000,000.

The Minister again asked for permit the Department to make Queen's Park and a laboratory final payments of \$300,000 on providing prospectors with free WEEK IN COURT cited about the trip ahead."
