

You Ought To Know

That Lavater said "The less you can enjoy, the poorer, the scantier yourself... the more you can enjoy the richer, the more vigorous"... can you take a moment and visualize a camp in Northern Ontario for Crippled Children?... can you hear the bright laughter of children as they soak up the brilliant summer sunshine on the sandy shores of Lake Sesekinika?... can you feel for a moment what it is to have a child with useless limbs and share your good fortune... or don't you care?... our fund has sailed right up to \$9.25 this week with contributions of 75c from the Holmes family, Haileybury and \$1.00 from Sandra and Cheryl of Galdton Ontario... now you can enjoy be richer, more vigorous by showing the fund by leaps and quarters right up to \$10.00 and on up to \$25.00... just mail it right this very minute to The Haileyburian's Fund for Crippled Children.

and New Liskeard teams and a radio serial and wrote a letter heading off to bigger things... to the author saying "I like your and at their back, nothing can equal a full house of supporters spurring them on to the heights *****

That the emphasis this year is on the family unit and so we are suggesting that you reserve next Tuesday evening and join forces at the auditorium where young and old are assured of an unusual and happy time listening to the wonderful story telling of Jack Clayborne. *****

That we have it on good authority... February 11th, everyone shovels out their hovels... then milder, but you watch out because the storms are still about... the end of the month says rain for sure and then more snow... and March will behave in true form by blowing itself out and us into an early, early spring with rain on the roof and lots of it. *****

That Noranda took top honors in the Temiskaming Badminton Association's second annual tournament last Sunday... point standing was Noranda 66, Cobalt 54, New Liskeard 46 and Haileybury 22. *****

That we like the story of the little boy who was wrapped up in

of the fact that puppetry is fairly new to this country... but this he thought it was a kennel and here this week who was wanting pup for his nephew... and while to know how he could get hold we are on the subject of dogs and

That we are perfectly aware

HYDRO SKY PATROL

In winter months, Hydro helicopters reach in minutes, areas that might be completely inaccessible after heavy snows. From the Great Lakes to the wilderness of the far north they patrol your Hydro's transmission lines, locating possible trouble points and preventing costly interruptions. This is another example of Hydro's modern and progressive operation to assure a low-cost, dependable, power supply. The pilots and observers of these helicopters are two of the more than 400 trades and skills of Hydro's team of 19,639 employees... working for YOU.

DO YOU KNOW?

Hydro maintains over 7,000 miles of high-voltage transmission lines in a vast grid that delivers power to every part of the province.

ONTARIO HYDRO AT WORK FOR YOU AND YOURS

Information concerning Ontario Hydro can be obtained by writing your Hydro Chairman, 620 University Avenue, Toronto

That the executive of the Haileybury Skating Club wish to thank each and everyone who gave their support to their Saturday afternoon tea... \$136.00 was realized... although the Recreation Committee pay the greatest portion of the instructor's fees, the Club must have additional money to cover the cost of ice rental and costumes for the big end-of-the-season carnival... and so, they would like you to know that because of your generosity, the Club will go forward without difficulty. *****

That it's been a long, long time since the old home town had a winner in Canada's sport of sports... hockey... and if you don't get over to the arena and see these little Midgets soaring in on goal, you deserve to have your citizenship papers taken... they've got eight wins behind them and they have yet to be beaten... we may be speaking out of turn but right now it looks very much as if they will be picking up four boys from the Cobalt

THE CAR OF TOMORROW

ANNOUNCING the breath-taking new Oldsmobile Super "88" for 1954! The Oldsmobile so ultra-new in design... so original in style throughout... there's never been a car like it before! Just wait till you see its new lower, longer, lovelier silhouette! The daring new slant of its panoramic windshield! The dramatic new flair in its sweep-cut doors and fenders! And just wait till you drive the new 185-horsepower World's Record "Rocket" Engine with 8.25 to 1 compression ratio—the engine that outperforms, and out-economizes even the power-famous '53 "Rocket". For a new view on modern automobiles—see the new Super "88". And watch for Oldsmobile's new "Dream Car"—the Classic Ninety-Eight... coming to your dealer's soon!
