**DIAMOND JUBILEE**  
(Continued from Page 1)  
This is your Jubilee, your town and we're trying hard to make it your paper, so let's hear the

phone ring with news of your friends and old Haileyburians who will be with us.

The mining committee of A.D. Hellens, Mario de Bastiani and O. E. Walli met last week and are busy mapping out plans for their big day during the Jubilee. Plans call for a window display, a tour of the Provincial Institute of Mining and demonstrations of new types of mining equipment used in prospecting and developing fields today.

We've got some interesting history from away up on Latchford Street today. Who can beat forty-four years as a resident there? Hector Villeneuve built his present home in 1922 and moved in in 1923 and prior to that he lived with his parents, the late Mr. and Mrs. N. Villeneuve at the family home between Hardy and Latchford.
