## "Peace Through Fellowship" Message of Rotary Governor

C. F. Basil Tippet, Governor of these works which are enjoyed by everyone. This is the emphasis of the Rotary International, "one of the finest achievements I have yet seen anywhere."

Referring to his recent appointment as Governor, Mr. Tippet pointed out that always when such honors have been thrust upon him, the dividends to himself have far exceeded the cost of service to others.

"During my visit, I have been impressed with your two projects, the Beach and the Park; but more than that, I am happy to learn that the responsibility has been shared with the Recreation Committee, the Red Cross and the Municipal authorities. It is not enough to do something for someone — we must go further than that and share with them in

## What Council Did

Gave a \$50.00 credit to the Hotel Haileybury on meter readings in dispute for April, May and June on the representation of J. H. Timmins. Mr. Timmins was also assured by Mayor H. A. Day that "Council will do the best they can" concerning the number of cars parking beside the Hotel Haileybury from 7:00 p.m. to 12:00 p.m. Mr. Timmins pointed out that he felt visitors coming into town should be looked after properly and many had to park two blocks away and carry their bags to the Hotel when citizens who were attending the theatre might well park in parking lot. Councillors felt that their new by-law which deals with parking regulations would ease the situation when it comes into effect.

At Councillor Millar's suggestion will advise the OPP that if they are not going to build on lots purchased last year, they must be returned to the Town. Mr. Millar said "We definitely have a sale for them." If on investigation, there are any special circumstances to warrant it, the agreement will be extended.

Had two readings of a by-law to extend the service area to a line between Lawlor and First.

Appeared to be having difficulty getting Phil Gignac of Cornwall to remove the signboard in the parking lot

Voiced no objection to a request of Alexander Mathieu to keep chickens at his place on the east side of Meridian north of Elliott.

Sold the west part of Lot 13, all of Lot 14 and the east of Lot 15 (between Dr. W. R. Somerville's and I. A. Wyle's) to T. G. Tulloch for the assessed value of \$360.00 subject to the usual building conditions.

Rescinded a by-law concerning Armand Carrier's recent bid for a lot and accepted his offer of \$150.00 for Lot No. 84 on Cecil Street.

Held over Fred Simpson's bid for a lot adjoining his residence until the next meeting when Councillor D. Gardner will have had an opportunity to study the situation.

Cancelled the sale of lots at Probyn and Georgina to Dave McLaughlin with a refund to him of \$550.00 as the purchaser had not complied with the original agreement to build within the year.

While the merry sale of lots continued apace, heard Mayor and Millar said that in these cases, the building was such that two lots were essential. The gestation that it needed revision. predominant thought seemed to be that in some cases consideration was justified.

## Mining School Staff Increased to Six For Fall Term Annual Tennis Tournament To Have Jubilee Trophy

The staff of the Provincial Institute of Mining has been increased to six members for the fall term. With enrolment at capacity, which is around the one hundred mark only ten more applications can be received from they will be accepted in order of qualification.

The new members of the staff are John Frey, mining engineer, who is a graduate of the University of British Columbia and has been associated with the A. V. Roe Aircraft. Steven Ilitch, chemist, came to Canada recently from Central Africa. He received most of his education in England and is a graduate of the Universities of London and Belgrade.

Only once previously have there been six members on the staff and for a year after the war, there were eight to handle the large enrolment of veterans.

## ELLIOTT STREET CHILDREN PRESENT ENTERTAINMENT TO ASSIST NORTHWOOD

The Rotarians enjoyed a nice interlude at noon on Monday when Larry Cooke, aged six, appeared, representing the children on his street to present their \$4.41 to assist in the building of Northwood Camp for Crippled Children.

Red, white and blue decorations transformed Andy Scott's garage into a modern playhouse with seating arrangements for all who gained admittance for 10c "or more if you like."

Participants in the four acts presented were Larry Cooke as Tarzan, Annabelle Scott and Janie Pringle Hawaiian girls, Ann Johnson as a pirate and a colored girl. The presentations were under the direction of Luke Grenon, Carol Lee Cooke and Jeannine Barrette. The last two named also sang a duet.

Costumes were loaned by Mrs. G. L. Cassidy.

were sold for \$1.00; in the second stage, the price became the assessed value; now we are in the present stage where I believe people are coming into town because they want to and lots are scarce; I do not think an increased price in line with the value of the lots would make much difference." The Mayor also pointed out that he did not believe it was any crime for a man to want to buy two lots. Contrary to the present policy, he pointed out, several purchasers had been allowed to purchase two lots. However, Councillors Poppleton and Millar said that in these cases, the building was such that two lots were essential. The predominant thought seemed to be that in some cases consideration was justified.

Haileybury Tennis Club made its contribution to Haileybury's Diamond Jubilee by initiating an annual tournament to be played in Haileybury. The first tournament was held on Sunday afternoon, August 1st and four towns, Cobalt, Haileybury, New Liskeard and Ville Marie participated. A beautiful trophy has been obtained by the Haileybury Club and will be competed for annually by the four teams.

Through the courtesy of the St. Mary's Academy, the convent courts were used as well as our local club courts.

There were forty participants on this Sunday afternoon and tennis was played from 1:30 until 6:00 p.m. There were six competitions: Men's singles No. 1, men's singles No. 2, men's doubles, ladies singles, ladies doubles, mixed doubles.

Haileybury competitors were Bill Grozelle, Ron Morissette, G. Thoday, E. Campbell, Edith White, Sandra Clark, Francis Brumell, Lorraine Hennessy, Vern Daughney. Two of our players, Therese Venne and

## Final Games in Fastball League At Week-End

Fans turned out in good numbers to cheer the home team to an 8-5 victory over RCAF Jets from North Bay to end the Diamond Jubilee in good style.

Haileybury had the services of Leo Labine, who pitched the entire nine innings. The loss was given to Russ Russell.

Leo Labine was the best in hitting line for Haileybury with two triples. All but four of the ten hits by Haileybury were for extra bases.

McCabe topped the hitting of the Air Force with two doubles and a triple. Tremblay had a double and a triple.

The All-Stars consisted of A. Fleury, 3b; T. Fleury, c; D. Taylor, 2;; E. Huard, 2b; E. Smith, ss; L. Fleury, cf; G. Friday, 1b; 1b; L. Labine, p; R. Fleming, lf; D. Davidson, lf; P. Labine, rf. All Stars. 401 100 200-8 10 3 R C A F . . . 000 120 002-5 8 5 Umpires—Antonia, plate; —Buckley, bases.

The Haileybury Softball League has been showing some reversals of form. All year North Cobalt has dominated first place, but now they find themselves playing a close second to a much under rated Cobalt Chemical team. The Chemicals have won their last four games running to bring them from hird to first place. The Town team trails the second team by only one game. West Road are still in the cellar. With only five more games to

Jacqueline Allard were loaned to New Liskeard to fill out their complement of players.

Umpire work was arduous with 5 hours of continuous play and this was ably accomplished by Messrs. Audet, McAulay, Hennessy, J. and K. Valentines and J. White. This year was a test for the Club to find out the suitability of such a competition; the best means of running it off and best arrangement for play. Next year, the competition rules, plays etc. will be set and the Jubilee Trophy will be an attractive mid-summer event in Haileybury. The results of this first four town tournament in which the trophy was given to the club having the highest total game score placed New Liskeard as trophy winner. Ville Marie was a close second followed by Haileybury and Cobalt.

Sunday evening refreshments were served in the hotel and the Trophy was presented to Paul Caroe of New Liskeard by President Deith Valentine. The visiting clubs expressed their appreciation of a well launched tournament.

## WEEK IN COURT

Nestor Syren was fined \$75.00 and costs for driving while his ability was impaired after pleading guilty to the charge before Magistrate Gardiner in police court last week.

Sulo Sihvola of Cobalt admitted permitting drunkenness. Joseph Mowatt, Haileybury, charged as a found-in on the premises was fined \$10 and costs. Andre Lacroix of Earleton permitted drunkenness in a house which he occupies and was fined \$10.00 and costs.

For careless driving, Francis Bowen of New Liskeard and Marcel Montreuil of Rouyn were fined \$15.00 and costs.

John Myeide of Kirkland Lake failed to stop his car at a stop sign and paid \$3.00 and costs. Alfred Maissonneuve of R.R. No. 2, New Liskeard did not stop before entering the highway and fined \$3.00 and costs.

For unlawfully having liquor, Clement Jutras of Weston was fined \$10.00 and costs.

play it should be an exciting struggle for positions. Let's get out and support our respective teams and see a good ball game as well. Standings:

## Upper School Exam. Results Announced Today

The 1954 results of the June examinations in Grade XIII were announced this week and are listed below. The symbols behind each subject are to be interpreted as follows:

- I 75 - 100%
- II 66 - 74%
- III 60 - 65%
- C 50 - 59%

- Terence Cassidy, Geometry C.
- Ruth Clark, Chemistry I.
- William Fleming, Eng. Comp. C, Eng. Lit. C, Hist. C, Physics C, French Authors C.
- John May, Chemistry I.
- Lena Mongeau, Algebra I.
- Elizabeth Neelands, Chemistry III.

- Terence O'Shaughnessy, Eng. Comp. I, Eng. Lit. II, Algebra III, Geometry I, Trigonometry I, Physics C, Chemistry II, Fr. Authors III, Fr. Composition III.

- Robert Rice, Eng. Comp. III, Eng. Lit. C, History III, Physics II, Chemistry C, Fr. Authors C.
- William Rice, Eng. Comp. III, Eng. Lit. III, History C, Physics II.
- John Steers, Eng. Comp. C, Eng. Lit. C, Algebra III, Geometry C, Trigonometry III, Physics C, Chemistry C, Fr. Authors C.
- Mary Whitby, Chemistry I.
- G. L. Cassidy, Principal

## SERVICE CLUBS TO PICNIC ON SUNDAY AT NORTHWOOD CAMP

Service Clubs from Northern Ontario have been invited to attend a large picnic at Northwood Camp this Sunday, August 15th. In extending the invitation, Chairman Alex Harris said "This will be our second annual picnic, the first having been held at Sesikinka prior to the construction work last year.

Miss Anna Jean Holmes, camp director is making plans to show the visitors as much as possible concerning the work of the camp. But the picnic is not to be just an adult tour. It is hoped that all visiting Rotarians will bring their families. There will be a band, organized games and water sports.

Clubs have been invited from North Bay, Sudbury, Cochrane, Timmins and Kirkland Lake.

## Friends Entertain For Bride-To-Be

Mrs. R. D. Cumming and her daughter, Mrs. Fred Burgener entertained recently in honour of Miss Yvonne Thompson whose marriage takes place on Friday, August 20th. Miss Thompson was presented with a beautiful card table and chairs and all the accessories for a bride party.

On Tuesday evening, Mrs. R. Douglas was hostess at a dinner party and tea cup shower at the Haileybury Golf Club. Those present were Mrs. C. F. Tuer, Mrs. Jack Dunlop, Mrs. R. D. Cumming, Mrs. F. Burgener, Miss Margaret McLeod, Mrs. H. Pickard, Mrs. R. H. Hambly, Mrs. C. Lowery and Mrs. F. Thompson.
