Death and Severe Injuries as Car Accidents Increase

Englehart

Five persons were taken to hospital on Friday night as the result of injuries suffered when two vehicles collided on Highway No. 11 three miles south of Englehart.

A half-ton truck driven by Wallace Ritchie of New Liskeard was proceeding south and the other car, driven by G. Holly of Tomstown was proceeding north. Occasional fog and a heavy rainfall made driving conditions hazardous; in the head-on collision which occurred about 6:30 p.m. both vehicles were demolished.

Benjamin Chambers of New Liskeard, a passenger in the truck suffered serious facial injuries; Gordon Holly of Tomstown received a fractured skull; James Marshall of Tomstown had a fractured shoulder and Carl and Sydney Swinston of Tomstown were seriously cut and bruised.

Haileybury

At 12:30 a.m. on Thursday Theodore Gilbeault of Cobalt was driving north on the Lake Shore Road and according to him, fell asleep at the wheel. Directly in front of the home of Mrs. W. E. Bagshaw the car went over the five foot Lake Shore embankment, crashed into the dock and landed on its side. The impact moved the dock, owned by Steve Bond, some eighteen inches.

Miss Betty Ann Bagshaw went to the scene immediately and first aid rendered to the victims at her home. Dr. W. C. Arnold was called and the passenger in the car, Fern Rheume of New Liskeard, an employee of the Temiskaming Speaker was taken to Misericordia Hospital suffering from head and leg injuries. She was knocked unconscious when the car crashed.

Although the highway is marked with the Department's white centre line, an unusual fog-made driving conditions hazardous.

LOCAL POLICE RETURN STOLEN STATION WAGON IN SHORT ORDER

Everything was going smoothly at Hughes' Grocery last Saturday night until Mr. Sam stepped out into the driveway thinking that he would step into his station wagon. But it was nowhere to be found and the Municipal Police took over. Within the hour from the time of the report, 6:15 p.m. to 7:15 p.m., Constable Scanlan and Constable Dunnett of New Liskeard found the vehicle abandoned in New Liskeard and returned it unharmed to the relieved owner. The keys were not left in the car but the ignition was not in the locked position and thus it was that the unknown party who undoubtedly missed the bus north, had a comfortable trip.

U.C. Sunday School Plan Parents Nite Monday Nov. 27

The Haileybury United Church Sunday School is holding a Parent-Teachers' night at 8:00 p.m. in the church hall on Monday, November 29th.

At this meeting, a film will be shown followed by a short discussion. The film "For Every Child" is produced under the auspices of the Division of Christian Education, through the Broadcasting and Film Commission, NCCUSA, dedicated in the name of Christ, to the goal: "For Every Child, Faith in God." "For Every Child" is an important new production especially designed to confront adults with the serious need of all children for faith in God and to stimulate in adults a sense of responsibility to provide for this need in the light of Christ's command, "Let the children come to Me."

There will be a display of books that should be helpful to all parents in religious education.

Curlers Enjoying Game On New Liskeard Ice

It may not be winter in Haileybury but when it comes, the lady curlers will be ready. Among those taking advantage of the pre-season of curling at New Liskeard are Maud Cragg, Tess Austin, Flora McFarlane, Fran Lougan, Ev Harrison, Lou Dettmer, Millie Van Eden, Margaret Ouimet and Ness McAulay.

HAILEYBURY GIRLS SUCCESSFULLY PASS REG. NURSES EXAMS

Two Haileybury girls, former students of the Haileybury High School successfully passed their Registered Nurses examination this month.

Miss Glenna Tulloch, who received her training in the Kitchener-Waterloo Hospital is now following her chosen profession at the Toronto North Western Hospital; and Miss Betty Ann Bagshaw who is a graduate of the Toronto Sick Children's Hospital is now on the staff of the Misericordia Hospital in Hailey-

C. of C. Members To Set New Date for Annual Meet

The Chamber of Commerce has postponed its annual meeting for the third time. As Secretary John Valentine pointed out postponed meetings are notoriously poor but in this instance, the situation has occurred through the fault of no one. All business men and citizens will, we feel sure, agree with Vice-President Alan Hurst that since there are matters of unusual importance to come before the meeting, it would be a mistake to proceed without the leadership of President Leo Gough who has been so active throughout the year. Mr. Gough was called to Toronto last week and was unable to be back in time for the meeting. It was left with the Secretary to decide a new date for the meeting sometime within the next ten days. If plans materialize, Bob Herbert, MLA., will be the guest of the Chamber so that existing confusion on several issues, the by-pass route in particular, can be cleared up.

Ian MacDiarmid drew the attention of those present to a new matter—the possibility of an abattoir for Northern Ontario and it was agreed that one or more farmers who are familiar with the subject might address the next meeting.

O. E. Walli was asked to give his opinion on the merits of trying to establish a University in Haileybury. He said that he felt success depended on having the University established in a larger centre because "you must have your core from the immediate area." Haileybury is so small that it could not supply the necessary number of students to establish the school. If a student is going to leave Timmins, he will naturally choose one of the established major universities, if he has to travel any distance at all.

Referring to the engineering courses, Mr. Walli pointed out that today, in all Canada, there are fewer students graduating in mining than equals the student body at the Institute here. Until these classes are crowded, there is no merit in thinking of a four-year B.A. Engineering course here.

M. E. Whitby suggested that there should be a better system of notifying all stores in the case of emergency closings for several hours. It was decided that the Secretary should be notified of the wishes of the merchants and have appropriate signs posted in town.

Boxing Day will be declared a holiday on Monday, December 27th. Mayor H. A. Day pointed out that in actual fact Council had no authority to declare public holidays, other than one Civic holiday set out in the Dominion Statutes; however, if it was the Chamber, the Mayor said he was quite agreeable.

Rotary Club Hears Talk on Farm Organizations

Rotarians turned to farming at their luncheon meeting this week. Harvey Plaunt of New Liskeard was guest speaker and step by step he outlined the growth of farm organizations and their purpose in the scheme of things.

"We had to do something," Mr. Plaunt said, "to take the place of the sociability of the olden days." The Farm Forums came into being filling a two-fold purpose in that they bring the farmers together and provide an opportunity to study conditions. Last year, in Ontario there were 719 groups in operation.

"After listening to a panel of experts discuss the problems of the radio, group discussions are held and the results forwarded each week to head office in Toronto. In this way, a cross section of opinion is readily available."

The local Federation of Agriculture consists of representatives of all farm organizations meeting once a month. "The purpose of this federation" the speaker said, "is to coordinate all the efforts of the local organizations."

Stepping up again, the Ontario Federation of Agriculture, a non-political, non-denominational body again acts as a co-ordinating agent to tie in the efforts of all local groups and is therefore well fortified with facts before presenting a case to higher levels.

Across Canada, the Canadian Federation of Agriculture is the voice of the farmer and the final step is the International Federation of Agricultural peoples.

As an example of the good influence of the Ontario Federation, Mr. Plaunt pointed out that "this body was instrumental in setting up United Livestock Sales whereby pork is all channelled to proper places. It used to be that meat was all shipped haphazardly and often caused a price to be based on a surplus whereas in actual fact, there was no surplus in the over-all picture."

ED. LEFAIVRE ELECTED PRESIDENT OF P.-C'S IN FIRSTBROOK TOWNSHIP

At a meeting held in the Firstbrook Separate School on Friday, November 19th, a Progressive Conservative Association was formed. The turnout was gratifying and they heard Bob Herbert, MLA for Temiskaming give a brief account of his efforts on behalf of the riding.

Others attending the meeting were Ben Croom of Brethour Township, A. Groom of Bucke Township and Ian MacDiarmid of Haileybury.

Mr. Crick gave a detailed report of the Association's activities as well as an outline of their achievements through Mr. Herbert's assistance.

The election of officers followed. Ed. Lefavre accepted the office of President and Alfred Seed was elected Secretary-Treasurer. The Association plans an active winter with meetings to discuss and deal with Township problems.

REBEKAHS HOLD \$10.00 DONATION TO HURRICANE FUND

The regular meeting of Northern Light Rebekah Lodge was held on Wednesday evening of last week with the Noble Grand Sister Astrid Dempster presiding.

Only one officer was absent because of illness.

Discussion centred on the annual Christmas party and it was decided to hold it on the next meeting night—December 1st. Each member will bring a gift not to exceed \$1.00 in price. A motion went through to give \$10.00 to the Hurricane Relief Fund and the meeting closed in the usual manner.

Narrow Gap to Close in C.A.S. Annual Appeal

The people's generous response and the hard work of the canvassers during the Children's Aid Society campaign has made chairman J. E. McDonough very happy this week. For Haileybury is just \$50.00 short of the \$1,500.00 objective. Mr. McDonough feels sure that when this is known, the gap will close. At the time of going to press, the total stood at \$1,451.90.

The Chairman said this morning "I am particularly grateful to all the canvassers, many of whom are very busy people, yet took time off to get out and canvass. I, myself, was away for a good deal of the time during the canvass and under these circumstances—with a little direction—I think they did a magnificent job."

WEEK IN COURT

Two persons were fined for impaired driving in Magistrate Atkinson's court last week. Thomas Couture of Krugersdorf was fined \$50.00 and costs on a charge laid in Englehart and Maurice Brassard of Angliers Quebec, was charged in New Liskeard.

Albert Bonnier of Larder Lake travelled at 40 m.p.h. in Haileybury and was fined \$10.00 and costs and Alfred Paoletti of Cobalt paid \$15.00 and costs for going 45 m.p.h. in that town.

Albert Lorande of Gillies Depot and George Whalen of New Liskeard failed to come to a full stop entering a highway and were fined.

For stealing gasoline from Howard Maguire, Robert Kambeitz of Regina was given thirty days and will be returned after to Regina to stand trial for a stolen car charge.

For causing a disturbance in New Liskeard, Rene Major of Cane was fined \$10.00 and costs.

Frederick Batise, Lucien Paquette, J. George and Fernand Rodrigue of Matachewan were all fined for intoxication in a public place.

Having liquor unlawfully cost Fernand Foisy of Noranda \$10.00 and costs.

R. Taylor Elected Golf Club President B. Jackson, Vice.

Ten shareholders were present at the annual meeting of the Haileybury Golf Club held last week at the Hotel Haileybury.

Ralph Taylor of New Liskeard was elected President and Basil Jackson of Cobalt will act as Vice President.

Shareholders who will act on a new Board of Directors are Basil Jackson, Ralph Taylor, Mrs. R. A. Murphy, J. E. McDonough, J. McKnight and Frank Kemp.

Retiring President T. Smith and Treasurer W. Ackroyd gave particularly encouraging reports on the progress of the club last year. "We have a membership of two hundred now" said Mr. Smith, "and I believe that fifty more can be added next year."

In a sincere tribute to the retiring president, J. E. McDonough pointed out that Mr. Smith was a man who was familiar with the conditions at the Club and had done an excellent job in promoting interest in its future. Mr. McDonough also thanked Percy Hitcher for his splendid work in keeping the course in good shape and the Ladies' President, Mrs. J. S. Ledwell, for her faithful and efficient work.

Films Available in Month of December

The Haileybury Film Council has the following films available to members for next month.

- Ballot Boxes
- Family Tree
- Farm Electrification
- Fighting Pests
