

You Ought To Know

That Monday, December 13th is voting day in the Town of Haileybury... you are voting to fill two vacant seats on Council which are being contested by D. H. Millar, Chas. Camsell, A. H. Cooke and Dr. W. C. Arnold this is the result of a second nomination meeting which was necessary because only four men qualified at the first one and were automatically Councillors they are Sam Craig, Lorne Wiseman, Neil Fleming and Lewis Simard... in short, vote as you like but vote on Monday.

That ere this through the radio and your daily newspapers, you will have learned all about the Canadian Players forthcoming venture into Northern Ontario playing Shaw's St. Joan in New Liskeard... the sale of tickets will be sponsored by the Lions Club and the date of the play's showing is January 5th... a real post-Christmas package for the district... as soon as the tickets are available, a block will go on sale in Haileybury... no announcement of this will be made at a later date.

That elections and that little white ballot are such uncertain things that we share the whole-hearted enthusiasm of this community today in congratulating Mrs. S. Bond on her sweep to victory at the head of the list for the Board of Education... even the boys are as happy as can be that the laurels should go to the lady... and no one will question the merits of having the mothers on the Board and in her first term, Mrs. Bond has done a splendid job... Senator Nancy Hodges asked recently "Why don't more Canadian women take advantage of their democratic rights and go in for politics and local government?"... in the some breath Mrs. Ann Shipley, admirer of the famous Senator says she has been asking herself the same question with regard to apparent absence of women in Teck Township's own municipal elections... and so we in Haileybury are entitled to fluff our feathers just a little more knowing that two mothers are looking after the welfare of the children.

ter snow than an outside show of color... and to create a little incentive, remember the Chamber of Commerce has offered three prizes, \$15.00, \$10.00 and \$5.00.

That we'll say it again "We think we are fortunate to have such a nice theatre in this town" and we are not referring to the building or the equipment which by the way are undergoing improvements all the time, screen-wise and soundwise... this week, we want to thank Bob Ashford for his courteous and generous co-operation in community activities... he does it all so quietly you'd just never know... once again at Christmas-time, he has donated the theatre and the films for the big Santa Claus Day for the children... the date Saturday, December 11.

That a gentleman who wrote a letter to The Globe and Mail had an interesting point... "I feel compelled to point out that in municipal elections, there is yet a third group of non-voters. They are the citizens who cannot vote because they do not own property or rent two or more rooms and cook their meals therein; in short, roomers, boarders and unmarried children still living at home... I am a native born Canadian citizen and have lived in Canada all my life but because of this ridiculous law I am not able to vote for the Council of the municipality in which I live... in my opinion, citizens who cannot vote are a worse disgrace to this nation than citizens who won't vote.

Don't Forget our Colored PICTURES

That we were lining up some cohorts to assist us in spreading the good news about the Stratford Players coming this way and so we telephoned a friend and led off with "Are you interested in culture".... a great deal of noise came from the other end at high "C" which when translated went like this... "If it's physical culture you are referring to, I most certainly am not... I've just finished the week's washing, the ironing, the dishes and the floors... we murmured quietly "But, this is St. Joan".... and she fairly shrieked "St. who?"... but anyhow when she got her feet up on the footstool, an hour later she was looking forward to helping, to buying a ticket and forgetting all about that awful jingle, jangle "when down through the chimney and quick as a wink, came a little Blue Cheer man to clean out the sink."

That we hope you are not concentrating all your energies on what goes on indoors at Christmas-time because this is the year that we are going to try and make Haileybury a sight for everyone to behold... already two spirited families have led the way lighting the shrubbery in front of their homes and we hope to see a lot more before the week's out... there is nothing quite as inviting and cheerful looking against the crisp win-
