### H. Jensen Travels 32,000 Air Miles on Philippine Trip

In three months, Hank Jensen, well known Haileybury man has put 32,000 air miles behind him. Associated with Copco at Val d'Or, Mr. Jensen left in October for the Philippines in the capacity of technical adviser to the Philippines Engineering Syndicate who are engaged in a vast project to develop power resources in that country; a scheme which is being directed by the National Power of the Philippine Government.

The Benguet Mountains, lying 150 miles N.E. of Manila are the site of this first of a forthcoming cycle of power projects to be developed in the surrounding hills and piped right to Manila. Large iron ore deposits—the Philippine Iron Mines—are directly responsible for an ambitious program to bring industry to the capitol city, where large steel mills will be constructed.

"I found the Filipinos very easy to get along with" said Mr. Jensen when interviewed this week. "There is no language barrier for they have a good command of English as well as their own Tagalong dialect. They are quick to grasp things and it was no problem to teach them how to operate mining equipment."

Leaving Haileybury in October, Mr. Jensen arrived in Montreal TCA and boarded United Airlines to San Francisco; thence Pan American to Honolulu, where he enjoyed eight hours of sightseeing. Stopover for meals were made at Wake Island and Guam.

His visit in the Philippines took in a 300-mile radius of Manila and before leaving for home from Tokio, he enjoyed a visit in Hong Kong.

### WEEK IN COURT

Strict parking regulations in New Liskeard and Haileybury brought fines to tri-Town residents this week in Magistrate Kenrick's court. Municipal police in Haileybury, particularly, are cracking down with the passing of a new by-law to relieve parking conditions in town.

Roger Ducharme of R.R. No. 3, New Liskeard parked in a prohibited area in New Liskeard and paid \$3.00 and costs. A similar fine was paid by Cleo Ducharme for parking over the 60-minute limit. In Haileybury, Arthur Stollery and the Industrial Acceptance Corporation of Kirkland Lake parked in prohibited areas and were fined.

John A. Adsheadd of Gillies travelled on Roke Avenue at 35 m.p.h. and Ogden Porter of Moore's Cove hit 40 m.p.h. in town and paid fines of \$5.00 and \$10.00 respectively.

Elmer Messenger of New Liskeard estranged husband of Mrs. Iris Messenger was fined \$15.00 and costs and ordered to pay Mrs. Messenger \$16.00 for unlawful wilful damage to window panes and drapes. The charge arose out of an incident last September in Chamberlain Township at Mrs. Messenger's home when the accused was charged with going berserk and wielding a plank causing damages to the premises.

Charges of intoxication in a public place led to \$10.00 fines to Stanley Badiuk, Frederick Batise, Rene Joseph and Raoul Joseph, all of Matachewan and Joseph Shaver of Barrie. Leo Quimet of Haileybury had liquor unlawfully and paid \$10.00 and costs.

Before the cases were heard J. D. Cumming, Q.C. of Haileybury spoke on behalf of the bar in welcoming the new magistrate to the bench.
