

### Penalty of Illegal Fishing on Sale at North Bay April 18-20

Fishing tackle, ranging all the way from a 25-cent bamboo pole to a \$40 spinning outfit, seized for violations of fishing regulations, will go on sale to the highest bidders at six points across the Province next month. It is estimated that, in all, more than 400 rods and about 130 miscellaneous articles will be offered. The Miscellaneous equipment includes dip nets, minnow and smelt seines, minnow pails, landing nets, axes, flashlights, etc.

Sales are scheduled for April 12, 13 and 14 at Port Arthur and April 18, 19 and 20 at North Bay, Ottawa, Peterborough, Hespeler and Aylmer. This will be the second sale under the decentralized plan of selling seized articles in districts instead of at head office of the Department of Lands and Forests in Toronto. Sales held at Sudbury, Kemptville and Lindsay last year have been moved this year to North Bay, Ottawa and Peterborough for convenience and accommodation reasons.

### Curling Notes

Those attending the Ladies' Granite Invitation Bonspiel in Ottawa last week which was put on by three of the Ottawa Curling Clubs—the Glebe, Rideau and Ottawa Clubs—reported having one of the best times anyone could have.

There were 30 outside rinks invited, with a couple from the States and the rest from the Ottawa Valley and Quebec.

The rink from the local club was skipped by Ness McAulay with Kay Price, New Liskeard, as vice, Minnie O'Shaughnessy, second and Lila Dixon lead.

Several of the rinks expressed the desire to attend our northern Ladies' Bonspiel next year, so are hoping this can be arranged.

### PROPER WAYS ARE SHOWN TO MAKE TRAFFIC TURNS

"Good Turns in Traffic" a new booklet published by the Motor Vehicles Branch of the Highways Department gives a good presentation of an important element of sane, courteous driving.

It graphically shows proper methods of making right and left hand turns from and into two-way and one-way streets.

It also illustrates proper hand signals for both right and left

turns as well as the slow or stop signal.

This is in accordance with the Ontario Highway Traffic Act which requires that, before slowing your vehicle or turning or moving from one traffic lane to another, one shall:

- (1) Make sure that the stop or turn can be made safely;
- (2) Let other drivers and pedestrians know what he intends to do by giving the proper signal; and
- (3) Make the turn from the proper road position.

Copies of the leaflet are available from the Motor Vehicles

Branch, Department of Highways, Parliament Buildings, Toronto.

### GIRL GUIDE NOTES

The weekly Guide meeting of Wednesday March 16th, opened with the company going into horseshoe formation. Following the recitation of the Guide prayer Captain Herbert gave a narration on the life of St. Patrick. A rendition of Irish songs by the Company preceded a last effort on the learning of the semaphore. Mr. Terry Shorn was on hand to pass seven of the members on the signalling test. Nine mem-

bers of the company were at the home of Mr. John Hope where they were given a test on their ability as child nurses.

During the month of March the Canadian Red Cross is asking for your help. The absolute minimum to carry in essential services in 1955 is \$5,494,100
