### Appeal For Increased Funds in Legion Scholarships

The Ontario Command of the Canadian Legion is appealing to all its branches and auxiliaries in the province for increased contributions to the Legion's Scholarship Fund, with the expectation of increasing the number of scholarships awarded to sons and daughters of War veterans to assist them in securing university education. Last year, through voluntary donations

through Legion branches and auxiliaries 23 scholarships of \$300 each were awarded in Ontario through the Legion's Scholarship Fund. It is hoped that this year sufficient funds will be donated to increase the number of scholarships to thirty.

Application forms for these scholarships are now in the hands of secondary school principals throughout the Province of Ontario.
