Carrie Gray Plans Supper Party

The Carrie Gray group of the United Church made arrangements for a supper party to be held in the Sunday School room of the church on June 6th, with Mrs. J. H. Timmins as convener. Mrs. Wes Bradley read a letter of thanks from Rev. Cadeau, missionary at Gods Lake, St. Arrows, Sask., for gifts sent by the group.

Mrs. Tom Cragg and Mrs. James Timmins were named delegates to attend the Presbytery in Englehart in May 19th.

Twenty-three Easter baskets were sent to the San. and shut-ins and convener of this project, Mrs. R. Thomson was given a hearty vote of thanks.

The Supply Secretary, Mrs. Don Gardner reported that the packet to go in the bale had not arrived. This packet was known as the "vacation packet" which contains mostly children's play articles for a children's hospital. This bale will be on display at the next meeting, June 6th.

The president, Mrs. A. H. Cooke, presided, and the reports of the officers were given.

The group assembled at the church and heard Rev. Ben S. Norwood in a very inspiring message before the meeting.

Two ways to check your buying skill

1 When you buy a house

Would you buy a house without looking it over thoroughly first? Or would you examine plumbing, heating, storage facilities, the neighbourhood and the reputation of the builder? The more thorough you are, the higher you rate in buying skill... and you'll be hundreds of dollars ahead of the careless buyer in the long run.

2 When you buy life insurance

Would you buy a life insurance policy on the strength of the premium alone; or would you look carefully at equally important features—dividends, cash value, and the reputation of the company? If you consider these things you'll save yourself time and trouble—and hundreds of dollars in cash!
