Champions to Give Exhibition of Childrens Square Dancing

On June 4th at 8:00 p.m. in the Haileybury Armouries an exhibition of Square Dancing will be put on of children square dancing by the Ontario Primary and Secondary School Square Dancing Championship Teams. The teams are travelling from North Bay to put on this exhibition for the Rotary Club of Haileybury and to show the children of Temiskaming and area how good square dancing should be done, as is done by the Ontario Champions.

Capacity crowds are attracted to see these wonderful dancers costumed in their colorful costumes wherever they appear.

They were the main attraction at the Spring Fair at North Bay the first week in May this year.

How About That!

In biblical times only 2% of people were left-handed, according to the Book of Judges. Today 5% of Americans - or 8,000,000 - are Southpaws.

Leonardo da Vinci - artistic genius - was left-handed.

Babe Ruth was sport's most famous left-hander.

Only recently are left-handed children taught to write left-handed.

Thanks to modern industry, left-handers use products made specially for them - like Sheaffer's left-handed pen points.

LOTS OF PROBLEMS

Who can deny that Temiskaming has its fair share of problems, and then some!

We are part of Canada's most rapidly expanding Province, and must bear our share of the cost of its development. And Temiskaming is still essentially a pioneer district. We need more roads to open our timber and farm lands. We need more schools. We need more industry. We have plenty of problems.

BUT THEY CAN BE SOLVED

These problems cannot be solved by grandiose schemes, but only by the men who know local conditions, working closely with their elected representative.

I am proud of my record of close co-operation with every municipal and community leader in Temiskaming for the benefit of the area as a whole. If re-elected, I shall continue this close co-operation which has already brought many benefits to the district.
