

### Weather Forecasting Easy When Know The Answers

Be your own weather fore-caster!

It's sure to be cold if pigs grunt uneasily or huddle; if caterpillars have broad bands; if there are plenty of comets; if geese fly late at night, and if you forget to take along a heavy coat.

Look for fair weather if crows fly in pairs, cats wash behind their ears, the sunset glows red, birds flying high, and you take along a raincoat.

Expect snow if turkeys refuse to come down from trees, cats sit with their backs to the fire, burning wood pops loudly, and foxes bark at night, seagulls sit on sand, hair of redheads turns kinky, and your corns hurt.

If still in doubt, consult your local weather forecast bureau.

Get out the storm signals if back aches.

Fifteen of our Haileybury Girl Guides are going to the Provincial Girl Guide Camp next month located at Doe Lake — near Huntsville. In addition to two weeks of camping at this gorgeous site, the Guides will mix with other Girl Guide from all over Ontario.

They will compare notes, join in competition and earn badges not previously awarded.

To make this camp trip possible, the local Association is sponsoring a tea and flower arrangement competition at the home of Mrs. M. E. Whitby, on Saturday afternoon, June 18th, between the hours of 3 and 6 p. m. A produce table is also planned.

They would welcome entries for the flower arrangement competition from anyone who is

interested. This is an appeal to all the ladies to turn out and make this event a great success.

#### Growing Up

Two very cute little ladies, namely Janice Lindsay and Susie

Short, all dressed up in their Mommies' hats and carrying purses almost as big as themselves, were proudly walking down the street one day recently and when asked where they going replied, "Oh we are going shopping. See, we're all dressed up and have to buy groceries."

In a few minutes they returned with a beautiful bouquet of dandelions for their Mommies.

# THINK

**H**OW valuable is your driver's licence?  
Does your job or business depend on it?  
Do you really need to drive?

Does that vacation you are planning include the operation of your car?

**THINK** Don't take your licence for granted. The operation of a motor car or motor truck is a privilege which can be suspended.

**REMEMBER** Your driver's licence will be suspended if you are convicted of a criminal offence or of any offence arising out of an accident, 21,000 licences were suspended in 1954. Many of those whose licences were suspended lost their jobs—others had to find a new line of business. What would YOU do without a driver's licence?

**THINK** and keep your licence.
