Quick Action Saves Local Child From Drowning at Beach

Haileybury has for three years been free of a drowning tragedy and this week Water Safety Week began on June 19th and ends on June 25th. The Red Cross issued pamphlets to every school child on water safety, and it is up to each and every one of us to help teach our children the rights and wrongs of that great summer sport of swimming.

We are indeed fortunate to have the Rotary Club and the Recreation Committee provide girls for supervised recreation at the Rotary Park and the swimming instructors at the beach.

We speak of the precautions of swimming because what might have been a tragic accident was averted by the quick action of Mrs. Neil McAulay Jr. Last Saturday morning while sitting on the beach, she noticed a child floundering in the water, after having fallen off the breakwater. Mrs. McAulay drew the attention of two other women there, Mrs. A. L. Berry and Mrs. F.K. McKenna, but as none of them could swim and couldn't reach the child otherwise, owing to the depth of the water, they called some boys who were there playing and one lad, Eugene Thisdelle, swam out and brought the child in.

The youngster is the five-year-old daughter of Mr. and Mrs. J. P. Scully.

This should be a lesson to those parents who allow their children to go to the water without some older person in attendance and especially the breakwater is very dangerous, as the boards get very slippery with the waves washing over them.

Former Haileyburian Wins Scholarship

Ojar Biskaps, a 33-year-old Latvian-born architecture graduate of the University of Toronto and a former employee of the Temiskaming Construction Limited has won a \$1500 travelling scholarship awarded by Pilkington Glass Limited. It will provide for six months' study in Europe and subsequent visits to the continent.

Interest on the federal public debt costs about nine million dollars a week.

TORONTO TO BE MECCA FOR RALLY OF MASONS AT CENTENIA EVENT

Several thousand Freemasons from all parts of Ontario and Canada along with other delegations of Brethren from Great Britain and other Commonwealth countries as well as the United States will join in an historic and colorful centennial observance at the Canadian National Exhibition grounds in Toronto on July 17th, 18th and 19th.

The occasion will mark the hundredth anniversary of the founding of the Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario.

Girl Guides Have Successful Tea and Floral Contest

On Saturday afternoon in the garden at the home of Mrs. M. A. Whitby, the members of the Ladies' Association of the Girl Guides and the Guides were hostesses at a lovely summer tea. Receiving the guests were Mrs. Whitby and Mrs. J. S. Ledwell in charge of the tickets.

The tea table was covered with a lace cloth and centered with a bouquet of summer flowers. Tall cream tapers in silver candelabra and silver services completed the arrangements. Mrs. Hubert Doran, Mrs. Donald Gardner and Mrs. Jack White were in charge of the tea table. Serving the many guests were the Guides in their trim navy uniforms: Susan Pringle, Carol O'Grady, Betty Dougherty, Judy Stevenson, Margaret Cavanagh, Carolyn Palangio, Linda Burns, Sally Whitby. Pouring tea during the afternoon were Girl Guide Captain Mrs. David Herbert, Brown Owl of the Brownies, Mrs. Al Hargrave and assistant leader Mrs. William McGaw.

In charge of the produce table where the home baking was an item were Mrs. Alan Hurst and Mrs. C. C. D. Pringle. There were twenty-four entries in the floral contest and judges found it difficult to make a decision. Mrs. George Pratt was the winner of the first prize. Mrs. D. H. Angus was the second prize winner and Mrs. C. F. Cockshutt the third prize. Honorable mention goes to the Carrie Gray of the United Church and St. Paul's Altar Guild of St. Paul's Anglican Church.

Promotion List for Haileybury High School, June 1955

Listed below are the names of students in the Haileybury High School who have attained promotion for the term just closing.

Notes—1. In the results given for Grades XIII and XI the names of subjects in parenthesis after the pupil's name indicate individual subject failures in subjects required by the Secondary School Graduation Diploma. These must be made up in a subsequent year. There are no supplementary examinations for these.

2. The Roman numeral behind a pupil's name indicates the standing achieved, as follows: I (First Class Honors, 75-100) II (Second Class Honors, 66-74) III (Third Class Honors 60-65) C (Credit 50-59).

3. In the results given for Grades X and XI, individual subject failures are shown in parenthesis behind the pupil's name. These need NOT be made up, unless in special cases which will be dealt with individually.

4. Conditional Promotion is awarded to certain borderline cases. This entails the pupil entering the senior grade on probation, and being subject to demotion if proper effort is not forthcoming early in the new term.)

Temiskaming Health Unit Provides Many Necessary Services

FOLIO VACCINE

The recent announcement that Salk polio vaccine gave a high degree of protection against this crippling disease, is most welcome news. The Ontario Department of Health made available sufficient vaccine to immunize the pupils of Grades 1 and 2. The Haileybury children in these classes received their first injection in April 19. The second dose was given on May 17, with the third to follow about seven months later. We have been advised by the Ontario Department that a further supply of this vaccine will be made available to do pupils in Grade 3. These injections will be given in May and June. As more vaccine is released, additional pupils recommended by the Provincial Department, will be immunized; but it is doubtful if this supply of vaccine can be obtained before the end of the present school term.

COMMUNICABLE DISEASES

It is probable that most people are not aware of Section 55 of the Public Health Act, Statutes of Ontario. This section states that whenever any householder knows, or has reason to suspect, that any person within his family has a communicable disease, he will, within 12 hours, give notice to the Health Unit. If a doctor is in attendance, he usually reports the case. However, a doctor is a very busy individual and this may escape his memory. Thus, the obligation to report a case rests with the householder. The Health Unit asks your co-operation in the reporting of cases of communicable disease. The quarantine period, which is fixed for each disease by the Provincial Department of Health, is usually much shorter than most people suspect. The case can be reported by letter or phone to Miss Rice, the nurse in Haileybury or the district office of Health Unit in New Liskeard.

DRINKING WATER

This is the time of year when all of us are making plans and eagerly looking forward to summer holidays. Maybe we are planning a motor trip or thinking of what we will do at a summer cottage or camp. Now is the time to make sure that the drinking water at the cottage is safe. This can be very easily done by submitting a sample of water to the Provincial Laboratory. The samples should be submitted in the sterile bottles provided by the Laboratory for this purpose. These bottles can be obtained from the Health Unit. Typhoid fever is still a menace. The germ may be carried in water. Recently, there has been a case of typhoid in this district.

There are two methods of making water safe for drinking. The first is by boiling which is inconvenient and also changes the taste of water. The second method is much simpler. A small chlorinating outfit can be obtained from the Provincial Department of Health, Parliament Buildings, Toronto, for 75c. By means of this solution, pails of water can be chlorinated and made safe for drinking.

In 1929 fully-manufactured goods accounted for 42.7 per cent of Canadian exports, as compared to 38.9 per cent in 1953.

OBITUARY

WILLIAM F. HILLIARD

The death occurred in Ottawa Hospital on June 17th, of Dr. William Franklin Hilliard, 21 Oakland Ave., Ottawa, husband of the late Annie Bell, at the age of 92. The funeral was held at the Healsund-Playfair Chapel on Saturday, June 18th at 9.30 a.m. and committal service at Little Lake Cemetery, Peterboro at 2.30 p.m.

The late Dr. Hilliard lived for several years in Haileybury.

Square Dance Instructors Coming to Haileybury

Will all school children please note that children's square dance sets are to report to the auditorium of the school on Friday evening, June 24th at 7 p.m. Two instructors will be in attendance from North Bay to instruct children on the proper method of square dancing, and their callers, instructors or sponsors. All those wishing to learn to square dance or form a set be in attendance at 7:00 p.m. sharp Friday evening.

St. Paul's W. A. Farewell to Mrs. McGaw

Twenty-Three members of St. Paul's W. A. met at the Rectory Monday afternoon to say farewell to Mrs. McGaw and present her with gifts for she and Mr. McGaw which were copper book-ends and flower bowl to match.

Mrs. Goodier greeted the guests and delicious refreshments were served on the spacious verandah. Mrs. J. White Mrs. L. Umphrey and Mrs. C. Grozelle served the guests and later Canon Goodier made the presentation and voiced the sentiments of the church and W.A. in wishing Mr. and Mrs. McGaw the best of luck in their new home, while also expressing regret at their departure from our midst.

Mr. and Mrs. McGaw have been splendid workers in all church affairs and valued members of the choir.

After opening her gifts and thanking the W.A., Mrs. McGaw took a picture of the group, which will help to remind her of her pleasant associations with Haileybury.

Canon and Mrs. Goodier also presented Mr. and Mrs. McGaw with two books.

Honor San. Doctor and Lady Ere Departure

Dr. and Mrs. A. Humphrey were honored at a party in the newly opened auditorium of the Misericordia Hospital when the Patients' Council of St. Mary's Sanatorium held a social evening with the ever popular Henry Kelnick Orchestra of Timmins providing the floor show of musical numbers, tap dancing and singing. The program was greatly enjoyed by all. Mr. Thomas Davies presented Dr. Humphreys with a wallet and key case and tie clip and cuff links made by the san. patients. Mrs. Enes Pasquale made the presentation of a bouquet of red roses to Mrs. Humphrey. Miss T. Fortier made the presentation of two oil paintings which she herself had painted on behalf of the staff. Dr. Humphrey joined the staff

Departing Members of United Church Honored at Supper

At a recent supper party held in the basement of the United Church by the members of the Carrie Gray WMS, three members were honored ere their departure from Haileybury. Mrs. Andrew Denholm, Mrs. Ian Bain and Mrs. R. G. Greer were presented with corsages on arrival.

The supper table was covered with a white cloth centered with red, blue and pink peonies and a very delicious buffet supper was enjoyed by all. Immediately following the supper, the presentation of cups and saucers were made to the guests of honor.

Miss Muriel Rice made the presentation to Mrs. Denholm, Mrs. Donald Gardner presented Mrs. Greer with her gift and Mrs. James Rodgers presented Mrs. Bain with her gift. In a few well-chosen words the guests replied that they would miss the Carrie Gray members and all the friendliness of the town.

Mrs. Denholm will soon leave for the States where Rev. Denholm will take post-graduate studies. Mrs. Greer and family will leave in August for their home in North Bay while Mrs. Bain and family will reside in New Liskeard.

A short business meeting followed with the president, Mrs. Arthur H. Cook in the chair.

Mrs. R. C. Greer was in charge of the devotional service. In the absence of the secretary, Mrs. H. G. Pickard capably acted in this office.

Mrs. Thomas Cragg reported on the presbytery meeting held in Englehart and Mrs. Pickard reported on the convention held in Toronto.

Teh buffet supper was convened by Mrs. James Timmins and a large number of Carrie Gray members and W.A. members attended.

Grandson of Haileyburian Aids in Gatchell Rescue

Freddie Teed of Sudbury and grandson of Mrs. F. Saxton of Haileybury, and Chuck Leishman, saved a seven-year-old Gatchell girl from drowning in Gatchell pond, near Sudbury.

Teed immediately applied artificial respiration and the McKim Township firemen used a resuscitator and the girl was admitted to hospital where her condition is reported good.

of St. Mary's in October, 1952. He resigned his post on June 15, 1955, to take three-year course in radiology. Dr. and Mrs. Humphrey and family will reside in Toronto.

Urgent Notice

To the Citizens of Haileybury

Owing to the prolonged heat and dryness of the present season, it has become the habit of too many residents of the Town to make extensive use of their lawn sprinklers.

This has resulted in a tremendous waste of water which is gravely interfering with the water pressure throughout the Town and is making it impossible for many people in various parts of the Town to obtain water for domestic purposes.

This practice also reduces the water reserve in the Town Reservoir, and adds to the menace of fire.

The practice of sprinkling lawns except during the permitted hours between 6 and 9 in the morning and the same hours in the evening is strictly forbidden by the Town's By-Law and warning is hereby given that those breaking the law are liable to be prosecuted to the full extent of the law.
