CHURCHES

CHURCH NEEDS YOU

Church notices for various denominations including United Church and Salvation Army.

Baptist Church notice for a mid-week meeting.

Costal Assembly notice for a meeting on Tuesday.

Paul's Church notice for a Holy Communion service.

THE LETTER BOX

July 22, 1955.

The Editor, The Haileyburian, Haileybury, Ontario.

Dear Sir: Congratulations on your improvements in the Haileyburian. I was thoroughly disgusted with that letter of complaint...

Helen Dine

The Editor, The Haileyburian, Haileybury, Ontario.

Dear Sir: What is the matter with Haileybury's Citizens? It surprises me very much that they are not willing to be of assistance...

Bucke Township's Council is not the one that isn't being cooperative, they just aren't willing to beg.

Annoyed

Haileybury, Ontario, July 23rd, 1955.

The Editor, The Haileyburian, Haileybury, Ontario.

Dear Sir: Regarding a "Letter to the Editor" found in the July 21st issue of the Haileyburian, in which a reader took offence because of "pictures and smart headlines" in the new Haileyburian, I wish to draw attention to an apparent misprint...

The text of the printed complaint is probably the most unintelligent piece of drivel ever to appear in your paper. The space occupied by Disgusting's letter could have been used to report on conditions at the town dumping grounds.

We find nothing wrong with the style or contents of the new Haileyburian, except that since dropping our Toronto Tely subscription we do miss the Thomas Richard Henry column a little. Then too, since when is an editor from Cobalt (our silver-bearing suburb) a stranger to the people of Haileybury?

Good Fortune to the Haileyburian and her Editor. A Subscriber

OBITUARY

JAMES HILL

James Hill, for many years a well-known resident of Haileybury, died in Misericordia Hospital early Friday morning, July 22nd. Mr. Hill, who has resided in Kingston for several years, was visiting friends in Haileybury when he suffered a heart attack.

James Hill was born 76 years ago in St. Marys, Ontario. He taught public school as a young man, then proceeded to Queen's University from which he received B.Sc. and M.A. degrees.

WORDS OF WISDOM THOUGHTS

BUT LET'S FACE IT...

He was employed in the Geological Survey from some time, and came to Haileybury in 1917 as a teacher in the Haileybury Mining School. This position he held until 1937 when ill health compelled him to resign.

While in Haileybury Mr. Hill was active in many fields. He was an enthusiastic curler. He acted as Chairman of the Building Committee when the United Church was built, and was a member of the choir for many years.

On leaving Haileybury, Mr. Hill moved to Kingston, where he engaged in various successful business ventures. He also acted as instructor at the University at different times.

Surviving are his wife, Leta, one daughter Marilyn (Mrs. R. Palmer), two sisters, Mrs. G. F. Metcalf, Midland Mich., and Mrs. J. Mackay, St. Marys, and three brothers, George of Toronto, Tom of Port Nelson, and Dr. Percy Hill of Kirkland Lake.

The funeral was held at Kingston Monday July 25th.

PERCY CLARENCE SMITH

Percy Clarence Smith who had devoted the last 23 years of his life to the safety of men working in the mines of Ontario died July 26, at Toronto after a long illness. He was the inspector of mine rescue training and recovery operations in the province, and as such was responsible for the program in all mining districts of Ontario.

Mr. Smith who was in his 58th year was born in Newport, England. He received his education in that country.

He joined the Ontario Department of Mines in the mine rescue division as superintendent of the Kirkland Lake Station in 1932. He assumed the province-wide direction of mine rescue training in 1947. In the course of his duties he contributed substantially to the publication of a textbook on mine rescue training, published by the Ontario Mines Department in 1951.

HOUSE plants will brighten in appearance and grow better if you give them a spray or shower bath once a week. This cleans and waters them beautifully, removing dust from leaves to help them absorb sunlight better.

Place freshly laundered slip covers back on furniture while they're still damp so you can stretch them to fit.

RECIPE OF THE WEEK Party Pork Chops (Serves 6)

6 thick pork chops
1 tablespoon shortening
Dash of black pepper
6 slices onion
6 green pepper rings
1 can condensed tomato soup
Brown pork chops in shortening in heavy skillet. Sprinkle with pepper. Place an onion slice and green pepper ring on top of each chop. Pour soup over all. Cover and simmer about one hour or until fork tender. These may also be baked in a moderate (350°F) oven, about an hour.

When thoroughly dry, go over them lightly with a steam iron to remove any wrinkles remaining.

Brass, copper and chrome trays, fixtures and vases will not tarnish or corrode if you apply a coating of wax to them regularly.

White socks which have discolored can be soaked in a weak solution of bleach for several hours or overnight. Then launder as usual and the socks will look bright and white.

Give your washing machine a cleaning-coating of white wax made especially for enameled surfaces. This prevents it from becoming yellow and makes for easy cleaning.

Windows decorated with cut glass will really sparkle when they're cleaned with a small hand or tooth brush and an ammonia solution. Polish well with a lint-free cloth.

Mr. Smith was a veteran of two world wars. From 1914 to 1918 he served in the service of the Royal Navy. From 1941 to 1943 he was with the Canadian Army Medical Corps in England. Besides his widow, he leaves two sons.

JACK BURTON

Funeral services were held from the Haileybury Salvation Army Citadel Saturday afternoon for the late Jack Burton of North Cobalt.

Mr. Burton was in his 81st year when he died at his home following a short illness. He is survived by his wife, the former Nellie Doupe and nine children.

Children surviving are, Sadie, Mrs. Douglas Horne of Cobalt; Alice, Mrs. Frank Willard, North Cobalt; Stella, Mrs. John Porteous, Rouyn; Isabel, Mrs. Bill Simtz, Niagara Falls; Sylvia, Mrs. Steve Auld, Niagara Falls; Miss Mona Burton, North Cobalt; and Tommy, North Cobalt.

YOU CAN SIGH WITH RELIEF AT THE COUNTLESS STEPS YOU'LL SAVE BY LETTING AN AD IN THIS NEWSPAPER DO YOUR CHASING AROUND TOWN FOR YOU

BETTER RESULTS TOO!!!

Both are Important!

PERFORMANCE and SAFETY

Pep-Up Performance

With your next complete Shell lubrication, let us service your Air Cleaner. A dirty Air Cleaner can ruin your engine's performance.

Check For Safety

Your front wheel bearings should be cleaned and repacked regularly. Your brakes may need adjusting for safety's sake. Of course, a complete Shell lubrication includes checking the master cylinder for our customers' protection.
