**GOLF CLUB NOTES**

A new record of 204 strokes for 54 holes of medal play was chalked up by Al Balding, Credit Valley, in winning the Seagram Shield and the Canadian Professional Golfers Association championship at the Hamilton Golf and Country Club.

Balding's total score on two days' play was six less than the course par and one stroke better than any Canadian pro has ever carded in winning the C.P.G.A. championship. He led from the first with a sparkling 65 on the first day's play and followed this with scores of 67 and 72 on the last two rounds. The previous C.P.G.A. championship record was 205 set by Stan Leonard, Vancouver, when he won at Edmonton in 1954.

The largest entry in the history of the C.P.G.A. - 73 top Canadian pros - competed for the Seagram Shield and \$4,175 in prize money. Balding's victory gave him top prize money of \$750 and qualified him for invitations to the U. S. Tam O'Shanter and Masters tournaments next year.

Murray Tucker, Toronto Rosedale, came second with a score of 209; Gordon Brydson, Toronto Mississauga, was third at 210; Bill Kerr, Beaconfield, Que., was fourth with 212, and Bill Kozak, St. Catharines, and Henry Martell, Edmonton, tied for fifth with scores of 214 each.

Tea hostesses for Haileybury Golf Club are: Mrs. G. Pratt, Mrs. J. E. McCuaig, Mrs. M. D. Calder, Mrs. V. K. Lundy, Mrs. E. Hawkins.

The Club Championship was held over last week. Mrs. F. McFarlane won the Club Championship defeating Mrs. F. B. Bond. Miss Phyllis Bates won the consolation defeating Mrs. Blanchette.

**PARADE NIGHTS**

"C" Squadron has regular training two evenings each week, on Tuesdays and Thursdays. Parades are from 7.30 to 9.30, usually followed by a social hour afterwards.

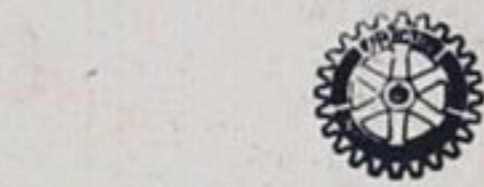

Once a year a battalion scheme is held over a week-end, with the other squadrons in the regiment, from North Bay, Kirkland Lake, Virginiatown, Timmins and Kapuskasing taking part.

Summer camp is one week's duration (held at Petawawa this year) and has for the past several years been in July. There is no compulsion to attend this camp training period, though most of the men in the Unit look forward to attending camp each year.

Age limit for recruits in the Algonquins is 17½ (with parent's consent) and recruits are given a period of general training (basic) before being given their choice of specializing in wireless, gunnery or tank driving.

**The Rotary Wheel by Norman Abraham**

Every Monday at 12.15, a group of businessmen gather in the Hotel Haileybury Blue Room, have dinner, discuss different matters which may crop up, and listen to interesting speeches. This gathering is known as the Rotary Club, which is one of the many Rotary Clubs throughout the world.

This Monday, the meeting was brought to order by Vice-President Ian MacDiarmid who is pinch-hitting for President Leo Gough, who is away on vacation.

We had a number of visitors attending our meeting, Don Carrich of Toronto, Ross Ryder of Niagara Falls, Del Jay Kinney of Lakeview, Ohio, and Mr. F. H. Lightbound of Montreal, Mr. R. W. Baril of Trail, B.C., as guests of Fred Thompson.

Our speaker was Jack Lecky, a Haileyburian Rotarian, who spoke on his very interesting trips to Venezuela, Columbia and Mexico, which was illustrated with colourful slides.

Watch for this column next week for more Rotary news and history, when we will again spin the Rotary Wheel.

**FIGHTING LAMPREY**

A grim struggle against the depredations of the murderous sea lamprey is being carried out by scientists of the Ontario Department of Lands and Forests, the federal government and governments of the United States and various individual States. Latest scientific methods, including manual and electric fences or weirs, supersonic death rays and other methods have been called into play in streams flowing into Lake Superior, where only recently the lamprey appeared and threatened commercial lake trout fishing.

**WEEK IN COURT**

Are you a man or a fascimile of one? Magistrate E. W. Kenrick asked Leo Savoie, 21, of Haileybury, when the young man appeared before him in court.

Savoie was charged with smashing several teeth of a 14-year-old girl. He told the magistrate that he went to push the girl, but his hand slipped. The slip cost him \$100 and \$14.50 costs.

Borden Smith of Cobalt was fined \$10, plus \$4.50 costs for appearing in a public place in an intoxicated condition. Albert Jumice of Krugerdorf was fined \$25.00 and \$10.50 costs for filing incorrect income tax forms.

W. C. Inch, QC stated his intention to appeal a verdict by the magistrate who found Cobalter Rene Pacquette guilty to a charge of careless driving.

"He is entitled to pull out on the dotted line," Mr. Inch contended. "What if he suddenly meets a solid line? He can't go through the ground or up into the air..."

Constable Jack Kincaid of the New Liskeard-OPP caught Pacquette on the "wrong side of the road" after dark August 13. The accused claimed he pulled out on the dotted line before a hill and couldn't complete the overtaking of a vehicle within the safe area.

The cad agreed with the constable and the fine was imposed as \$15 and \$14.50 costs. "I am advising an appeal on that one," Mr. Inch stated in court.
