A farewell gift was presented to them from the gathering.

ARMY FILMS TO BE SHOWN

Capt. R. J. Poppleton, Officer Commanding "C" Squadron The Algonquin Regiment, says the citizens who attend the Regiment's "Open House" next week are going to see some fine Army Films.

Over twenty films have been selected as the best available in the Canadian Army Film Library and these will be shown on different evenings. They will include Armoured units in action, documentary war films and even a film captured from the Japanese forces in the Pacific War. You are invited to visit Haileybury Armouries any evening next week to see what's going on.

In net value of production construction accounted for 14.4 per cent of Canada's industrial output in 1952, agriculture accounted for 18.0 per cent, and manufactures accounted for 54.3 per cent.

NOT YET READY

The number of miles of road operated by Canada's two principal highway companies has increased by 4,736 since 1923. The Larder Lake to Englehart bypass is not ready for traffic yet, according to the department of highways. Construction work has been hampered by forest fires along the route. The department does not expect the work to be completed this year.

From 1945 to 1953 the consumption of milk in Canada declined from 1.02 pints per person per day to .86 pints.
