**Money across the miles**

A chartered bank makes it a simple matter for you to send money almost anywhere, inside or outside Canada.

You may want to get money to a certain city as a gift on somebody's birthday; or to settle a business account; or to set up a fund which can be drawn upon by company salesman, branch office or supplier.

It works the other way, too. If you are far from home and short of cash, you can advise your "home" branch to telegraph your money to a point where you can pick it up. Many situations and needs can arise — and a chartered bank has many ways of taking care of them, including the sale of travellers cheques.

This service is one of the many advantages you enjoy as a customer of a chartered bank. Your local branch is an all-round banking service-centre that can be helpful to you in many ways.

Only a chartered bank offers a full range of banking services, including:

- SAVINGS ACCOUNTS**  
Keep your money safe; pay you steady interest; encourage the habit of thrift.
- SAFETY DEPOSIT BOXES**  
Keep your important papers and other valuables safe, yet readily accessible.
- COMMERCIAL LOANS**  
For business or industrial firms, large and small; producers, processors, retailers—every type of enterprise.
- TRAVELLERS CHEQUES**  
Protect you against theft or loss of cash. They are readily negotiable anywhere.
