

SUPPORT YOUR CHILDREN'S AID SOCIETY CAMPAIGN - September 27th to October 9th

You Ought To Know

That the Temiskaming Community Concert series will open on Monday evening in the New Liskeard Memorial Hall... please note that membership tickets are transferable only in the immediate family or to out-of-town guests... the choice of artists and the number of concerts depends entirely on the budget realized during the annual campaign... it can be readily understood therefore why Community Concerts cannot afford to have too many people taking advantage of one concert on someone else's membership... and actually if you have not subscribed, we assume that you have no interest in this voluntary effort to bring the world's best music to this community and therefore should surely not expect to be admitted for nothing on someone else's goodwill... the Directors do not take kindly to the appearance of non-members in the hall year after year... some of whom have consistently refused to subscribe which is their privilege, but it is ours to ask them to say at home.

That the Northern Ski Club have postponed their party and dance which was scheduled for Saturday, October 30th... on account of the throwing arm of black cats and Hallowe'en activity, the Club will take place on Saturday, November 6.

That the local canvassers for the Children's Aid Society have had many good days to go from door to door so that the canvass ball fan will be because "for

is being extended... meantime watching each and every play, in the stadium." you can do more than your bit sitting in front of the screen is by sending your donation in the far better than a seat anywhere

That the Firemen would like to thank the Town Foreman and his men for doing such a dandy job at the lake front with a bulldozer last week and then building a pit for their demonstration on Friday night... inch by inch we see quite a park shaping up at the foot of the hill... when the spring comes just remember to get behind the Firemen in this project so that we won't have to wait an eternity to have a shoreline and not a dump heap.

That there is nothing that gives ye old citizens such a lift especially in gloomy old October than to see a bright new something on the main street... we're not referring to faces either... right over the Library door is the smartest new sign we've seen in a long time and when the Board gets it lit up as they plan to, it will be that much smarter... we thought it was that much nicer again when we learned that Connie Vachon had volunteered to do the carving of the distinctive letters.

That W.C. Thuerck is home again after his jaunt to the World's Series and from his box seat in the Polo Grounds, he thought Willie Mays' catch was good... on but it was the throwing arm of black cats and Hallowe'en activity, the Club will take place on Saturday, November 6.

That the local canvassers for the Children's Aid Society have had many good days to go from door to door so that the canvass ball fan will be because "for

the tag ends of the Jubilee, the for their excellent all-out co-Chairman and Executive wish to operation leading to total success of say a mighty thanks to everyone
