What was rapidly deteriorating into a soap opera, has been lifted to the highest level.

Her Royal Highness Princess Margaret has decided that duty to her family and her Church must transcend above her own deep personal feelings.

It will, perhaps shame the press agents and circulation managers, radio sponsors and others, who have tried to capitalize an unhappy situation for their own benefit.

In all the history of commercial radio, which has witnessed some epic efforts at debasing the public taste, surely nothing was more blatantly vulgar than the use of Peter Townsend's name in a radio quiz show.

Regard for duty and responsibility is so rare today, that the sacrifice made by the Princess has all the greater impact.

SOME PAINTS ARE POISONOUS

When doing a repaint job at home on any of the children's toys or furniture, be sure that the paint is free from lead.

Canada has 95 daily newspapers, about 1,000 weekly newspapers, and 177 radio stations, of which 22 are government operated.

Roy Edgar will be our voting delegate from South Temisk. to The Association's annual meeting in Toronto on November 7-8-9 and it is hoped that Gordon Emerick will be able to accompany him as an observer.

The date of South Temiskaming's annual meeting has not been definitely settled but will follow as soon as possible after all reports from the Association annual have been received.

THE LETTER BOX

To the Editor The Haileyburian Haileybury, Ontario, Oct. 26, 1955 Dear Sir:

We wish to express our appreciation for the space you gave us in the Haileyburian during our recruiting Week.

Although we are prepared and can give the young men in this district the opportunity to serve Canada and themselves with training in the militia,

Sincerely yours, R. J. Poppleton, Capt. O.C. "C" Sqn Alq R (26 Armd R)

To the Editor The Haileyburian Haileybury, Ont. Dear Sir:

Quoting "This town is very low as far as assessed value is concerned", makes me agree the assessed value is low and has not been brought up for a number of years.

We have had, and are still having the odd house going up on these so called cheap value lots,

Show us a program of what is to be done to better sidewalks and roads and only then should the question of a tax raise be brought up.

Sincerely Yours, Ben J. Bourget

We are indebted to Duncan E. Sutherland for the following extracts from a letter he has received from "Corky" McCracken, a former resident of Haileybury.

No doubt you will be very surprised to hear from me after so many years have passed. I often think of people in Haileybury and on every opportunity inquire about so and so.

Just a few lines about myself. I left Peru in 1953 after living in South America for nearly 15 years.

I am working for a consultant geologist in Calgary. The West is a wonderful country but we often say that some day we will return to Ontario.

Both mother and dad are very well. That North country still has a strong pull on their heart strings and they have often mentioned going back.

I do hope you and your family are well. Please give my regards to any of my old friends.

The Editor The Haileyburian Dear Sir:

Just because Tri-Town Raiders folded this season is no reason why football should be considered dead and buried in this area.

After all, it was the Tri-Towns which, along with North Bay, Sturgeon Falls, and Sudbury, got football organized on an inter-city basis.

A spokesman for the Northern Ontario Rugby-Football Union has stated that "the league needs the Tri-Towns."

However, the Raiders probably will have to pay some sort of penalty for dropping out of the circuit and leaving the other teams in the lurch.

What's needed in the Tri-Town area is some unselfish executive spadework during the off season.

The Tri-Towns showed on several occasions that they had the makings of a good football club.

The NORFU hopes to see the Tri-Town Raiders back in the fold next season, and hopes that football men up that way will waste no time making plans along that line.

Yours Truly Britt Jessup North Bay

THE BIBLE TODAY

The Bible speaks in the idiom of the people it addresses anywhere in the world.

The great Father above a Shepherd Chief is, the same as I am he is, and with him I want not.

He throws out to me a rope, and the name of the rope is love, and he draws me, and he draws me, and he draws me to where the grass is green and the water is not dangerous; and I eat and lie down satisfied.

Sometimes my heart is very weak and falls down, but he lifts it up again and draws me into a good road.

Sometimes, it may be very soon, it may be longer, it may be a long, long time, he will draw me into a place between the mountains.

He spreads a table before me with all kinds of food.

What I tell you is true; I lie not. These roads that are "away ahead" will stay with me through this life, and afterwards I will go to live in the "Big Teepee" and sit down with the Shepherd Chief forever.

THE ROTARY WHEEL by Norman Abraham

Outside of a few mischievous happenings, Hallowe'en was spent in a very orderly manner.

But this afternoon and evening entertainment would not be possible if it was not for the IODE, the Home and School association and the Rotary Club.

Just a reminder of our bingo to be held on Saturday evening Nov. 26.

Wilf Gibson was inducted as a member of the Haileybury Rotary Club at our meeting on Monday, and was given the official welcome by all the members.
