Creamy French Dressing

(Makes 1 1/2 cups)

 - 3 tablespoons sugar
 - 3 tablespoons catsup
 - 1/2 cup undiluted evaporated milk
 - 1/2 cup salad oil
 - 3 tablespoons vinegar
- Measure all ingredients except vinegar into mixing bowl. Beat with rotary beater until well blended. Add vinegar all at once and beat thoroughly. Dressing will be creamy thick. For a thicker dressing, increase oil to 1 cup, beating in half at one time before adding vinegar. Store in covered jar in refrigerator.

some of these: serve food in baking dish in which it was cooked; fold pillow cases as you iron; cut biscuits with knife instead of cutter; and remove clothes from dryer while damp to save dampening.

Eliminate tasks which you can slash as washing walls, shades woodwork and drapes by using a vacuum cleaner attachment often enough.

Use a furniture wax to both clean and polish furniture in place of two operations.
