

Across the Kitchen Table

By Mrs. Mac.

Members of Woman's Institute all over the north will rejoice with the members of North Cochrane district W.I. who have worked for years to secure some type of emergency transportation on the railway to serve the area north of Cochrane to Mooseene, where the train service is not a daily occurrence.

Letter after letter has been written and resolution after resolution has been sent through branch to district, to area and on to the provincial board and from there, with the backing of 45,000 Ontario women, they have been forwarded to the ONR, asking for consideration and now, the patience and perseverance of those Cochrane women have been rewarded and the emergency ambulance has become a reality. How true the

saying, "never underestimate the power of a woman," and I would add to that, "their ability to stick to a project until it is brought to a successful finish."

Hats off to the women of North Cochrane district!

The story of the ambulance taken from The Northland Post may be read elsewhere in this issue.

Because I was born long enough ago to remember when the only colors available for clothing were black, of course, and navy or brown, or the occasional tan or ecru, as the years went on, I am mightily pleased with the many beautiful shades that are woven into materials now.

But more intriguing even than the colors, are the names that are attached to them. Nobody knows what color tan is now, what looks like shades of tan to my uneducated eye is toast, sandalwood, nutmeg or honey beige, and ecru, well, it's blossomed out into parchment, wild honey, wheat or flax. And as for navy, it's like the old woman who lived in a shoe, it's got so many shades it doesn't know what to do. There's sapphire, Copen, turquoise, aqua, Caribbean, royal, azure, sky, ice, and persian. The shades of green sound more like ingredients for a salad than the names of something to wear. Mint, pistachio, olive, avocado, lime, artichoke, leaf and even lettuce.

But even though I can't remember their names, the colors are lovely and I'm so glad that grandmothers are no longer tied down to black or navy or brown but can blossom out in any color that suits them, without anyone passing remarks.

BROWNIES MEET

The first Haileybury Brownie pack met Monday night, February 18, in the United church basement and opened their meeting with the Fairy Ring and Brownie song.

After this, the attendance was taken and the Brownies were divided into three groups, the Golden Hand group with Mrs. J. Neelands, the Tweenies with Mrs. J. Robinson, and Miss Pat Arnold passed the Golden Bar Brownies on their first aid.

Games were played and the meeting closed with Taps and the Brownie Tunnel.

SPORTS PARADE

There were some close and exciting games played at the weekend at New Liskeard Curling Club when the three rinks, McEwen of Port Arthur, Groom of Sudbury and Stoyand of Kirkland Lake tied with each other to see who would represent Northern Ontario at the Briar in Kingston, Ontario next month.

The play was a double round robin and at the end of the schedule games all rinks were ties.

To determine a winner a draw was made with McEwen getting the bye and in the play Stoyand won from Groom.

The final match between Stoyand and McEwen was a very close one with the Port

Arthur rink winning out by a score of 8-7.

There was a large crowd on hand from the District to witness all the games and cheer for their favorite team.

Congratulations are extended to the Port Arthur rink and good luck in their play at the Briar.

The Crow and the Pitcher

Once upon a time, so the fable tells us, a Crow was tormented by thirst and the only water he could find was out of reach in the bottom of a pitcher.

With infinite patience, the wise old bird dropped pebbles into the pitcher. The level of the water rose until it was high enough for him to drink.

The Sun Life insurance premiums we pay are like the pebbles dropped into the pitcher. They bring our objectives into view. They build up an estate that provides immediate cash in the event of death or which can be used as retirement income.

Chevrolet is famous for its winning ways. More people buy Chevrolet than any other car.

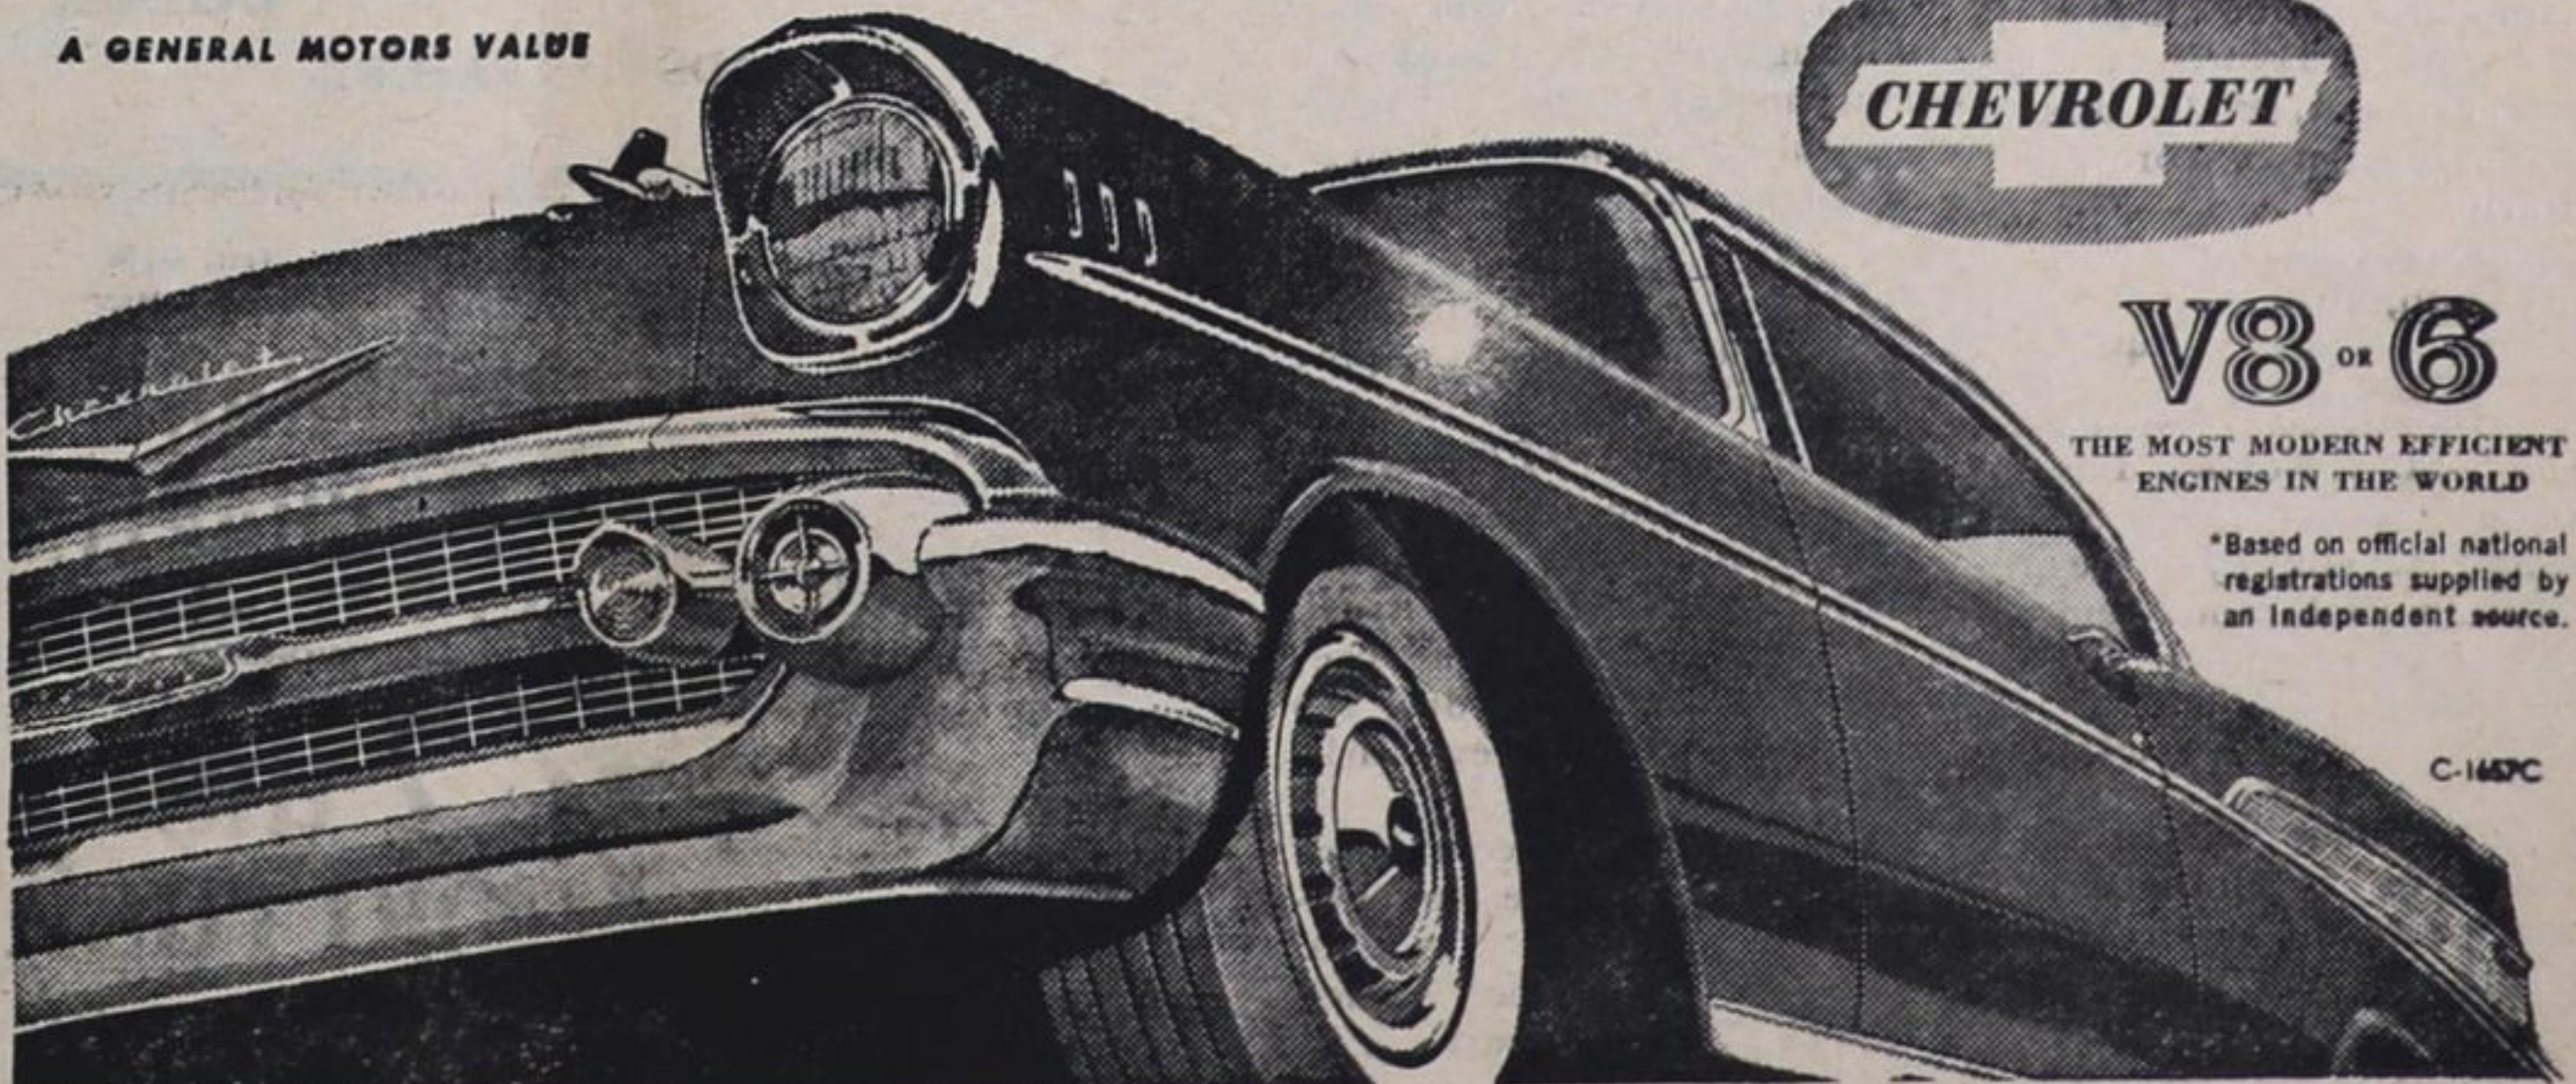

There isn't a car on the road can touch Chevrolet's record! That's because no other car has so consistently offered the styling, performance and dependability that make Chevrolet an unbeatable value year after year.

Again in '57 Chevrolet outclasses them all! Here's a car that loves to go and looks it! From bumper to bumper it has the sweet good looks and the fine-car luxuries of Body-by-Fisher that put fashion and function beautifully together!

Try it on the road! See how Chevrolet outsteps them all! Try

the smoothest, liveliest V8 or 6 you ever put a toe to. Try the most copied ride and handling on the road! (Glide-Ride suspension, Outrigger rear springs!). Far from resting on their laurels, Chevrolet engineers have made this beautiful ride even better for 1957!

Small wonder Chevrolet outsells* them all! More and more people are taking to Chevy's winning ways because they're finding that Chevy's value can't be beat! See your Chevrolet dealer now... see why Chevrolet outstyles, outsteps, outsells them all!
