Temiskaming Deanery Meets In Cobalt

The annual Temiskaming Deanery meeting of the Women's Auxiliary of the Anglican Church was held in the I.O.O.F. Hall on November 1st. with 50 ladies attending from Englehart, New Liskeard, Haileybury, Cobalt and Temagami.

The ladies received first hand knowledge of the Anglican Sunday School Caravan Missions from the ladies who started them in 1920.

Miss Eva Hasell M.B.E. founder and organizer of the Anglican Sunday School Caravans in Canada and Miss Iris Sayle, a co-teacher on her annual trips through thousands of miles of Canadian Territory.

Miss Hasell who was guest speaker for the day long meeting lectured on her experiences as a mobile Sunday School Teacher in the isolated areas of British Columbia and along 1,000 miles of the Alaskan Highway.

Founder of the Caravan's, she told of their growth in popularity and scope despite all kinds of geographical and financial factors since their inception in 1920. Today after 37 years there are 31 vans in operation in the 15 dioceses of the Church spread out from the Maritimes to the Yukon.

Referring to British Immigrants she said it was expected that 200,000 would arrive by the end of 1957, in the biggest exodus since 193.

She said the migration would place immigrants in the position of being "financial burdens" on the Church for two years after their arrival.

News that the Temiskaming Deanery had been extended to cover the territory from Englehart to Sundridge prompted the suggestion by Mrs. G. L. Cassidy of Haileybury that the proposed area be split into two zones "A" and "B" in order to have better fellowship within the groups. A resolution regarding this was sent to Mrs. H. M. Montieth, Sault Ste. Marie The Algoma president.
