### LEGION NEWS BRANCH 54

By Walter Hurst  
We had a very solemn Remembrance Day at which His Honor Mayor Cooke unveiled the Cenotaph with the new engravings of our War casualties of the Second World War. Prayers at the Cenotaph was given by Rev. Father Brunette.

The supper held in the Legion Hall, was well attended and a wonderful meal it was.

Brigadier G. L. Cassidy was guest speaker with a thought for all to consider. Head table from left to right were Rev. J. W. Wilkinson, Mayor A. H. Cooke, Brigadier G. L. Cassidy, Wm. Inch, master of ceremonies, Rev. Father Brunette, Legion President Mitch Deraiche, Sam Hughes, and Ladies Auxiliary Presi-

dent Anita Taylor. The dance held in the evening was well attended and Elgin Campshall and his orchestra did a wonderful job of providing music of all types for a good nights entertainment.

Our next General Business Meeting is to be held November 18th, at which time nomination and election for our 1958 executive will take place, so come out in force and exercise your right to vote for a continuing good Branch 54. Thank you

**CUBS AND SCOUTS**  
At the conclusion of the "Going Up" ceremonies at the school auditorium on Thursday, evening the ranks of the Scout Troops were bulging with the addition of no less than 16 new members.

As a result one of the Cub Packs was barely able to form

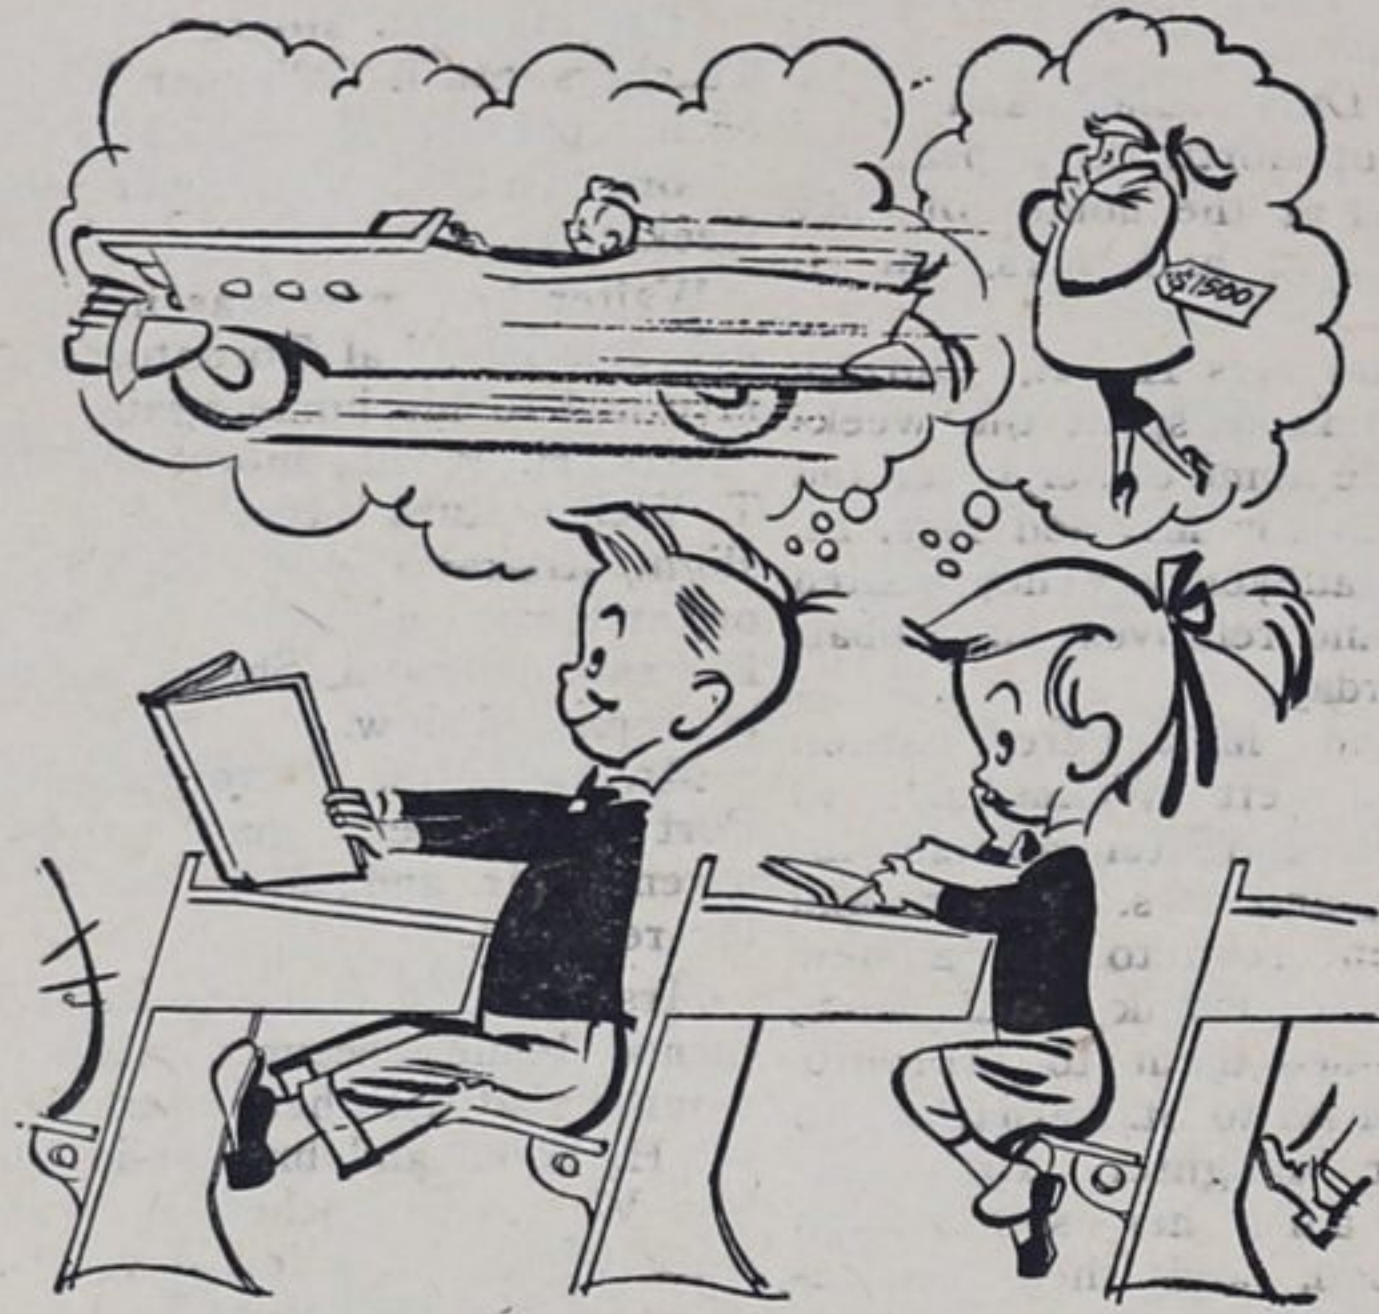

a circle. However this is a strictly temporary condition as the ranks will be filled at once from the waiting list of new boys.

Cubs who moved up to Scouts were: Steve Fleming, Ron Piche, Bob Blair, Paul Rivard, Jim Bourget, Jack Matton, Roger Allard, Pat Fleming, Mike Fleming, Rod MacDonell, David Cassidy, Ron Rivard, Bobby Dempster, Brian Hogan, Rory McDiarmid, Wayne Russell.

There was a good turn out of parents and friends to witness the ceremony.

The first hospital for the care of tuberculosis was opened in England by Dr. George Bodington in 1840. He maintained that with good food and fresh air (provided the patient was kept warm) many patients would re-

cover from "consumption" at it. It was nearly 20 years before he was forced to close his hosp- and it stayed open.
