NEWS - FROM

THE EVELYN SHOPPE

When rippling water and sun-
 ny skies bring definite thoughts
 of swimming and swim suits,
 our thoughts turn, naturally, to
 Sea Nymph bathing suits. These
 are the newest of the new they
 stay UP when you sit DOWN
 when you sun and really stay
 PUT when you swim. They have
 their own light weight adjustable
 bras, boned for perfect uplift and
 can be worn strapless.

One, in an attractive multi
 colored stripes, has a Lastex
 back and another in princess-
 style, is all Lastex, in fine red
 and white check with brocaded
 stripes.

Cole of California brings the
 Orient to the beaches with their
 swim suit in Oriental design
 touched with gold overtones.
 This has a matching skirt with
 elasticised waistband and smart
 carryall pocket, which can also
 be worn with other tops. They
 also feature the knitted, elastic-
 is ed suit with built in bra in
 stripes and plain colors.

"My head goes round and
 round, my eyes look here, my
 eyes look there," but I can't just
 simply can't, begin to tell you of
 all the lovely sport wear that is
 being featured in the Evelyn
 Shoppe, it must be seen to be
 appreciated.

There are tee shirts of wash-
 able, crease resistant cotton that
 won't shrink or stretch because
 of the Permathal "Quality Con-
 trol" process which has been
 awarded the Better Fabrics
 Testing Seal. Some have boat
 necks, some the more tailored
 necklines with collars and there
 are tuck-ins as well as the chem-
 ise styles, in stripes of red,
 green or blue with white.

Any of these are smart with
 our excellent selection of Ber-
 muda shorts, Clam diggers or
 the regular longs, which come
 in colorful Italian stripes or
 plain colors. These are by Miss
 Sun Bailey and Chestnut Hill of
 "Have you seen the latest in
 sport skirts? They are called
 "skorts" (no that isn't a mis-
 print this time) and are short
 pleated skirts with attached
 bloomers, in plaids or plain
 colors.

And to end the news, see the
 Gypsy head bands, with flexible
 clips that hold them on with-
 out the need for pins.
