MERRY MENAGERIE

"Get lost!"

ANCHOR'S AWAY

Proud of his achievement, H. S. Hanks invited a couple of friends to enjoy the maiden trip of his home-made 12 ft. dinghy.

After cruising around for a spell off Cape Jervis, S. Australia, they threw the shiny, new 7-lb. anchor overboard. A hungry shark promptly towed them for over a mile before one of the sailors cut the line.

How Can I?

By Anne Ashley

Q. How can I remove yellow spots from white enamel?

A. By rubbing with a flannel cloth that has been dipped in garden mold.

Q. How can I clean eiderdown?

A. An eiderdown garment can be cleaned by rubbing it thoroughly with cornmeal, allowing it to stand for a few days, and then shaking thoroughly.

Q. How can I impart a different flavor to steak?

A. Squeeze the juice of a lemon over the steak and onions just before serving, and it will add a delicious flavor.

Q. How can I keep egg yolks if they are not needed for immediate use?

A. Place them in cold water and keep in a dark, cool place, and they can be kept fresh for several days.

Q. How can I prepare vegetables that are a little old, to make them more tender?

A. By adding a little baking soda to the water used for boiling.

Are you really ready for the trip?

You're all set for the first big outing of the summer. Gas in the tank. Water in the radiator. Air in the tires. But are you really ready? Remember a defect in your car or its equipment can cause a lot of trouble. It can spoil your trip—or even lead to a major disaster on the road. Make sure. Check your brakes and steering system. Check your tires for wear and damage. Check your lights, front and back. Check the exhaust system for dangerous leaks. And do it now. Because your whole summer of motoring pleasure depends on safety. You can't be really sure of your safety if you aren't really sure of your car. Your Ontario Department of Transport urges you to check your car—check your driving—and check accidents.
