**NEWS FROM  
 THE EVELYN SHOPPE**

Been letting yourself go these lovely summer days? What a change in your fashion figure this fall!! Your bosom has been subtly by passed and your waistline is obsolete. Attention, (let's face it!) has been shifted to your HIPS!!! But you needn't worry, Gossard has the answer to your troubles with the new "Answer" girdle and panty girdle. The new fall color is violet and it is taking the fashion world by storm, with it's soft subtle shades. One dress just in. in this lovely shade, is of soft wool crepe and is fashioned by Nat Gordon. Another smart two piece dress in grey, follows the new trapeze lines. Now for that back-to-school wardrobe, (yes, the holidays are half over,) we have a shipment of Glenayr "Kitten" Banlon sweaters in both classic and the new long overblouse style and Pringle of Scotland sends us lambswool and soft downy cashmere sweaters, all of which will team wonderfully well with a skirt by Nat Gordon in tweed or fine worsted flannel. Evelyn is off on a buying trip and hopes to tell you more about the lovely fall things next week.
