

# Musical Youth Drive To Start Next Week

The Musical Youth of Canada campaign starts in this district on October 6, and will continue until the end of the month. Music lovers in the area will have a chance to join the group and hear the series of top musicians brought to the district during the season.

Executive members of the local group have issued an invitation to all persons interested in good music, and are confident that the enrollment will top that of other years.

Programs this year will be heard in the new, spacious auditorium of St. Mary's Academy in Haileybury.

The first concert artist will be violoncelliste Bernard Michelin, who won the Grand Prize at the International Festival at Vienne and was soloist at the Edinburgh Festival in Israel.

The other three programs in

the four concerts series include Guitarists Presti and Lagoya, pianist, Marie-Antoinette Pictet Lagace and Gosselin organist and baritone.

Executive members of the local group are: president, Lawrence Hurst, vice president, Roland McMahon, secretary, Helene Maurice, treasurer, Theresa Cote, entertainment, Claude St. Cyr and Cecile Larocque, publicity, Antoinette Larocque and Annette Murphy, reception, Antoinette and Cecile Larocque.

Persons wishing to purchase tickets may do so in New Liskeard from Miss Theresa Cote or Miss Annette Murphy — in Haileybury from Miss Antoinette Larocque or Miss Helene Maurice — in North Cobalt from Claude St. Cyr — in Cobalt from Lawrence Hurst.

## Fire Destroys Mail For Quebec Towns

No reason has been found for the mysterious blaze that destroyed the loaded express and mail truck on the Ville Marie Highway last Friday afternoon.

Driver Marcel Authier told police that he had loaded his truck as usual at the ONR station in Liskeard and immediately started for Ville Marie.

About six miles from town he noticed increasing heat on the back of his neck, and stopped the truck to investigate.

When he opened the rear door of the truck flames and smoke swept into his face, and he was unable to do more than grab a few bags before the extreme heat drove him from the truck.

New Liskeard Fire Department sent two fire extinguishers to the truck, but the fire was so far advanced that it was useless to try and save it or the mail.

Later the department sent out a truck to extinguish the blaze and remove the truck so that traffic stalled on the highway could drive through. Police halted traffic, fearing an explosion.

The truck, which was totally destroyed, is owned by Eugene Chénier of Ville Marie.

Flames from the truck ignited a nearby pasture, and threatened to start a more serious fire in a tumbledown barn before the fire truck arrived.

The blaze destroyed a shipment of watches, catalogues, but the rumour that baby bonus and pension cheques were also lost was discounted by postal officials.

## Leaves for Training

Miss Ida Childs who has been employed in the Department of Labour for the past six years recently received a promotion. She left last week for Toronto where she will train as an inspectress.

Ida has also been cashier at the local theatre for a number of years and was presented with a travel alarm clock by the theatre staff.

Her boss Mr. Shannor, presented her with a lovely travel iron and we hear the boys in blue and staff presented her with a lovely train case.

Ida being born and educated in Haileybury, we one and all wish her success in her promotion and look forward to seeing her around after training, as her headquarters will be Haileybury with a travelling territory, north to Hearst, south to North Bay and west to Sault Ste. Marie.
