"Mr. Beep" gets a lift

Thirty minutes on a BP hoist and I feel like a new car!

"Yes sir, any car loves to have his joints lubricated and his oil changed at a BP station.

Their one-two punch of BP Visco-Static Motor Oil for an oil change and BP Energrease for chassis lubrication is like a double shot in the arm. When I get off that hoist I feel like a brand new car and I sure am proud to know that my boss thinks as much of me underneath as he does up top. We only buy BP."

World respected name in petroleum products and services.
