The esteem in which the deceased was held was shown by the large number of floral tributes received.

Stork Shower

Mrs. Anthony Dupuis was hostess at a charmingly arranged stork shower for Mrs. Andre Camirand when twelve guests were present to enjoy an evening of bingo, games and chatting.

The rooms were decorated in pink and the baskets of attractively wrapped gifts also showed decorations of pink and blue.

Mrs. Richard Fleury was in charge of the games with Mrs. A. Catudal and Mrs. J. Dumais winning prizes. The special door prize went to Mrs. Paul Jolivet.

Guests were present from both Haileybury and Cobalt.

New Store

The building formerly occupied by the Red and White Stores, which was purchased recently by Abraham's Mens Wear, is being re-vamped and renovated to be used for the ladies' and children's

wear departments leaving more space in the premises now occupied, for the men's and boys' clothing.

Mr. Abraham expects to be ready to move to the new building in three or four weeks. Eight foot florescent lights are being installed, new shelving and a fitting room.

Little man you've had a busy day

This little spaceman is just back from a trip to Mars (out in the backyard) . . . and now his leader is packing him off to bed.

While he was away, she washed the floor . . . the dishes . . . several large piles of clothes . . . and *still* there was plenty of hot water for this spaceman's bath. Reason? Because she has a modern automatic electric water heater with abundant storage capacity and quick recovery when more hot water is needed. Heating water electrically is safe, clean, modern and costs just a few cents a day on special Hydro flat rates.

You get more out of life when you get the most out of electricity.

Household Hints
by Anne Allan:
Launder small rubber-backed rugs in your washer, then tumble dry in an electric dryer set at low temperature.
