The CGIT will present a play entitled "The Upper Room," at Easter Music on Sunday night, March 22. 1-2

"Why don't we have a clothes line?"

"We don't need one, son. We have an automatic electric clothes dryer."

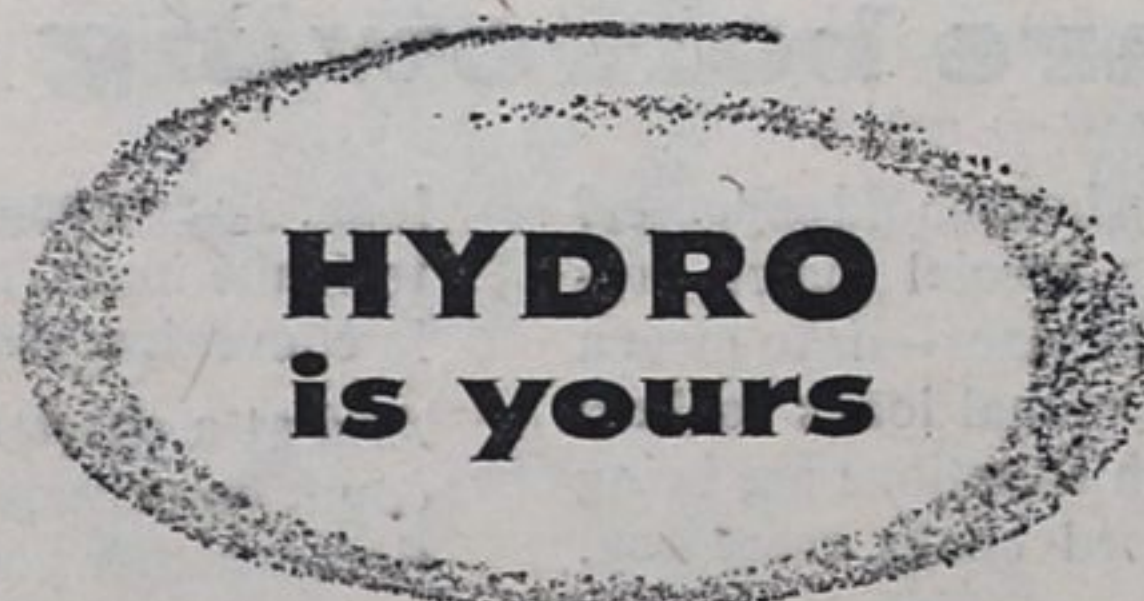

With the wonderful convenience of a modern electric dryer there's no more need to lug heavy loads of wet wash out to the line. No more watching for "drying days."

In any weather clothes dry indoors, automatically . . . fluffy and sweet smelling . . . or, with just the right amount of dampness for ironing.

Laundry is only *one* of the many tasks you can do quickly, easily and economically with electricity. You get more out of life when you get the most out of electricity.

Household Hint by Anne Allan:

The cool setting of a dryer allows you to fluff pillows and to dewrinkle drapes and synthetic fabrics.
