Haileybury Youths Damage Property

Magistrate E. W. Kenrick gave short shrift to four Haileybury youths in court last week when they appeared before him charged with wanton damage to two cabins on Best Lake, south of Latchford.

The four occupied cabins belonging to Rev. Earl Lautenslager of Sudbury and Gordon Forbes of Toronto on a February week-end, and damaged one cabin to the extent of \$420 and the other \$75.

Police said the youths took a small amount of food with them for their week-end, and helped themselves to supplies left in the cabins.

They damaged bedding, towels, and chopped holes in a canoe and floors, slashed chairs and damaged property with a .303 rifle belonging to the minister. They also tore blankets to make windbreaks for ice fishing.

Water Intake

Hydro divers were on hand early this morning to check the intake for the Haileybury water supply.

Mayor Arthur Cook expected the work to be completed today.

Popular Pro Leaves Haileybury Golf Club

For more than a quarter century, Percy Hitchen has been Mr. Golf to addicts of pasture pool in this district, but this year he pulls up his roots, to be transplanted in North Bay.

It was back in 1925 that the pleasant Englishman came to Haileybury as professional for the new club, then sporting a six hole course with a shack for a club. He leaves behind him a prosperous club, and one of the sportiest nine hole layouts in the north.

Percy served his apprenticeship with his father who was pro at the Elland Golf Club in Yorkshire and finished the job under the same tutor at Cobourg Club.

He was with W. T. Brazier, pro at the Owen Sound Club, before he took over professional duties at the Old Belleville Club, from there he went to the Bay of Quinte Club before coming to Haileybury.

As well as being an expert in the matter of course construction, Percy was a fine golfer and an excellent teacher. He has a record or two on his own course, and is particularly proud of being one of the few who tied together five 3's over the nine holes, and being able to hit the par 5 number six holes a number of times for a three.

The big Haileybury golfer has done a great deal of golf course designing and construction during his career, he helped his father with the Rouge Hill course near Toronto, laid out the Lee Club in Cochrane, and built the original plant at Siscoe, Quebec.

He is a member of the Canadian Golf Association, the Ontario Professional Golfers Association and the Northern Ontario Golf Association.

In 1957 he took a golfer's holiday, travelling to Jamaica, and served as a popular pro at the Upton Golf Club there for the 1957-58 season. He had a warm invitation to return for the past winter season, but had to pass up the invitation because of an annoying, although not serious, illness.

He goes to North Bay as manager and course superintendent, and carries with him the best wishes of the many friends he has made during his long stay here.

Five High School Groups In Quonta Drama Festival

There will be five High School Drama groups participating in the Quonta One-Act Drama Festival to be held in New Liskeard on April 9, 10 and 11 in the New Liskeard High School auditorium. The Mindemoya Group comes from Central Manitoulin High School in Mindemoya, a school of 120 students. Some of the actors travel sixty miles each day to attain an education. The group are able to enter the Festival because of a campaign carried on in the area to raise funds. This is the school's first entry in "Quonta". The cast of thirteen will be presenting the first three scenes from Bernadine y Mary Chase.

The Sudbury High School Modern Language Department are performing La Grammaire by La-biche. There are ten in the cast. The unusual thing about this performance is that while it is a French play it is being performed by English-speaking students who have learned all their French in High School. They are all in Grade 12 and have studied this play as part of their Grade 12 French course. These students have all been in special language class for almost two years now. They study French, Spanish and Latin. Their French classes are taught entirely in French, and every week they have a special conversational class in either French or Spanish. This play is the culmination of their course.

Lively High School Drama Group will present "Elizabeth Refuses". The cast consists of eight members. They come from the Sudbury area. The three above mentioned plays will be performed on Saturday afternoon, April 11, in the New Liskeard High School auditorium.

The Kirkland Lake K.L.C.V.I.

Drama Club will present "The Bishop's Candle Sticks" by Normal McKinnel on Thursday evening. There are seven in the cast.

The New Liskeard High School Drama Club will present "The Grand Cham's Diamond" by Allan Monkhouse also on Thursday evening, with five in the cast.

The High School Drama groups will be adjudicated separately from the adult groups. The students who have to come to New Liskeard from some distance will require billeting over night. Mrs. Tom Taylor of New Liskeard would be glad to hear from you, if you would like to invite one of the visiting actors into your home.

Mass Meeting At Toronto

Two carloads of civil servants from this area travelled to Toronto last week to take part in the mass rally of members of the Ontario Civil Service Association.

An estimated 3000 members came from all across the province to attend the meeting, in an unprecedented show of solidarity and reviewed their demands from their bosses, the provincial government.

Amongst the complaints discussed were poor working conditions, low morale, top demand is for collective bargaining and grievance procedures, followed closely by salary demands.

Attending from this area were Chuck Wells, Fred Corkhill, Orville Tretheway, B. Ford, George Brown, president of the local association, Orville Dumond, Wyman Wickett and Bud Edwards.

SAY, WHAT HAVE YOU GOT THERE, MISTER? questions Chi-Chi, a four-year-old travelling companion of salesman John Lindsay.
