Home and School Tea and Bake Sale

A very successful tea and bake sale was held on Friday, May 15th at the Cobalt Community hall by the Cobalt Coleman Home and School Association. Guests were welcomed at the door by Mrs. Stan Miller, president of the Association. The hall was attractively decorated with moss, budding branches and daffodils. The tea table was covered with a white madeira cloth and was centered with a low arrangement of moss interspersed with trailing arbutus and daffodils. Tall yellow candles completed this arrangement. Pouring for the afternoon were executive members Mrs. H. A. Todd and Mrs. J. Koza. Individual tables were placed around the room for convenience of guests each attractive with its low bowl of daffodils. Girls from the Home Economics class of the Public School served the guests. In charge of the bake table were Mrs. H. Taylor and Mrs. J. Burton. Looking after things in the kitchen were Mrs. A. Wallman, convener for the tea, Mrs. A. Browne and Mrs. P. Slaght. Tea table arrangements and the decorating of the hall was looked after by Miss D. Reeder. While the grownups were enjoying their tea the pupils of the school were enjoying a candy sale which was convened by Mrs. A. Aird. The Home and School Association would like to take this opportunity to thank parents and friends who assisted in any way to make this project the success it was.

Conservation Boat On Lake Temisk.

When district fishermen take their boats out on Lake Temiskaming Saturday for the opening

of the fishing season, they will find something new on the wide waters.

The Department of Lands and Forests has noted that the big lake is becoming increasingly popular with more and more anglers trying their luck each year. The lake is handy for residents of the Tri-Town and district, and there is adequate anchorage for boats, with no problem of transportation.

Said Ed. Mantle, local official of the Department, "For the first time a boat of the Department will be on patrol to check on fishing infractions."
