Stone quarry owner rates Chevrolet the toughest truck going

**"Put a Chevy out there and it stays!"**

At the Snyder Stone Quarry, you see Chevrolet trucks of all ages. "They get better and better every year," Mr. R. G. Snyder says. "My '59's keep going with no downtime at all for major service . . . moving more material at less cost per mile than any other make of truck I've had". The grades are steep from quarry to crushing mill, the loads are big and punishing. That's why Mr. Snyder specifies Chevrolet. "Put a Chevy out there and it stays," he says.

"You never do wear one out. You just get tired of looking at it and get a new one".

The truck you see up above is taking on a mountain of a payload — yet Mr. Snyder states, "It moves over the road like a light truck".

That kind of performance is a specialty of the house. Chevrolet turns out heavy-duty trucks that keep their poise no matter what you put in them. They're beating the big, oversized rigs at their own game, showing that precision-engineered chassis components and super-efficient V8 power make up for a locomotive-looking build any day of the week.

Today you sure can't assume that because a truck is trimmed and good looking it doesn't work every bit as hard as

those old-styled steam rollers. Put a Chevy on your run and see what a little pure efficiency can do. Your Chevrolet dealer will arrange the details.

Cuts gas costs by 20% on multi-stop schedule!

This bakery firm is sold on Chevrolet's "easy driving and fuel economy". Their Chevies keep at it 10 hours a day, averaging 78 stops, covering about 3,500 miles a month!

No job's too tough for a Chevrolet truck!
