New Names For Modern Times

Even Noah Webster might be *bugged today if he ran across a traxle . . . And what could he possibly say to a hoopster?

Americans seem to manufacture words like these for every gadget or social trend they produce. For the benefit of the man or woman who doesn't read dictionaries, The World Book Encyclopedia has compiled a list of some of the words and phrases that entered our language in 1958.

"Traxle," for example, is an automobile design in which the transmission is in the rear instead of against the engine.

"Hoopster" is a person, usually a child or his weight-worried mother, who uses a hula hoop.

Economists have brought clarity and imagination to the mysterious workings of supply and demand with the phrase "bottoming out", which means reaching the lowest point in a recession.

The hotel has graduated from motel to "boatel"—that's a motel built over the water, where people can moor their boats during the night.

If you have a heavy foot on the gas pedal, you obviously suffer from "roadomania." And if you wheel your groceries out to the car and forget to return the cart to the store, you're guilty of "cartnapping."

Science has introduced the word "megacorpse," meaning a million dead persons, such as could result from nuclear warfare.

An example of making a silk purse out of sow's ear is "informational site." That's the area at the side of the road where a billboard extols "Mother Maloney's Pickled Preserves" or welcomes you to town with "Warning: Speed Controlled by Radar."

The height of simplicity is "pinch effect." That's the contraction that results from the magnetic interaction set up by a parallel flow of currents in plasma (highly ionized gas).

*bug-V.T., to annoy or confuse, coined by the "Beat Generation."

Travel expenditures of Canadians visiting other countries during 1958 were 3.6 per cent higher in 1959 than in 1958. The 1959 figure: \$544,000,000.

Close Racing At Twilight Meet

New Liskeard Turf Club had been racing for their fourth Twilight Meet held at the Beach track last week, and the 300 fans agreed that they had their money's worth.

Best race of the day was the final heat of the Free-for-all when Norman McPherson gave Mrs. J. Lafoy's Miss Royal Dora a perfect drive and beat off a rushing challenge by the favorite Sampson W. owned by Earl Walsh and driven by Porky Watters. The few who bet on the winner collected \$12 for \$1 at the mutuels.

Miss Royal Betty, from the Royal Farm, with Paul Clouthier handling the ribbons shared honors with Red Repitition, owned by A. Durand of Laverlochere and driven

by R. Durand. Both had a first and a second in the Class C heats. Times 2.26 and 2.23.

Miss Royal Abbie from Royal Farm placed third twice, Linda Truebooke, Les Woods entry was in fourth slot twice; Golden Ladie driven by Clarence Watters had two fifths and Mickey Volo, Mel Nurmi's entry also ran.

Times in the two heats of the Class B were 2.34 and 2.27 with Sir Royal Wolfe driven by Paul Clouthier taking both handily. Sir Royal Abbie and Tys Pride shared second and third place in the heats.

Other horses in the Free-for-all were Our Charm, Royal Farm, 3-3 and Farite, Royal Farm 4-4.

Starter was Jim Gibson, timer Tom Lowery, judges Bruce Brown and Bert Ough.

While farms are becoming fewer in Canada they are increasing in size, the average in 1956 being 302.5 acres against 279.3 in 1951.
