

Latchford Wins At Bass Lake

Two Class "C" Intermediate teams dominated play at the Annual Bass Lake Ball Tournament held over Civic Holiday, and the most popular player award went to Billie Glashan, a New Liskeard Midget pitcher, who had enough stuff to pull his team into the finals.

Cobalt started on its way to the finals with a win over North Bay. Don Taylor was on the mound for the Silver Kings, and did a good job of taming the Gateway batsmen.

Cobalt tangled on Monday in the semi-finals with Joe Dash, the Dashers had an easy win in their first game against Cochrane. Glashan allowed only five hits and four runs in the nine inning game, and Cobalt collected five runs off Lefty Conrad and Larry Hillman.

Campsalls dumped Northland Tire in their first game 5 - 1, when Gord McKnight held the tiremen to two hits, one a homer by Roger Bettoil.

Campsalls had the misfortune to be drawn against a red hot Latchford nine in the semi-finals, and couldn't buy a hit until the ninth when they poked three across. But Latchford had collected four and advanced into the finals.

Bill Glashan started for Cobalt against Latchford and although he held them to 12 hits, it was enough for 12 runs and the 12-6 win of the tournament for his opposition.

Cobalt Kiwanis Club ran into wonderful weather for the annual picnic, and a record crowd poured a substantial sum into the coffers of the club which will be used for welfare work, and the promotion of girls and boys activities.

Rev. H. Martindale

He served also in Cobalt.

Beer Prices Up At Warehouses And Hotels

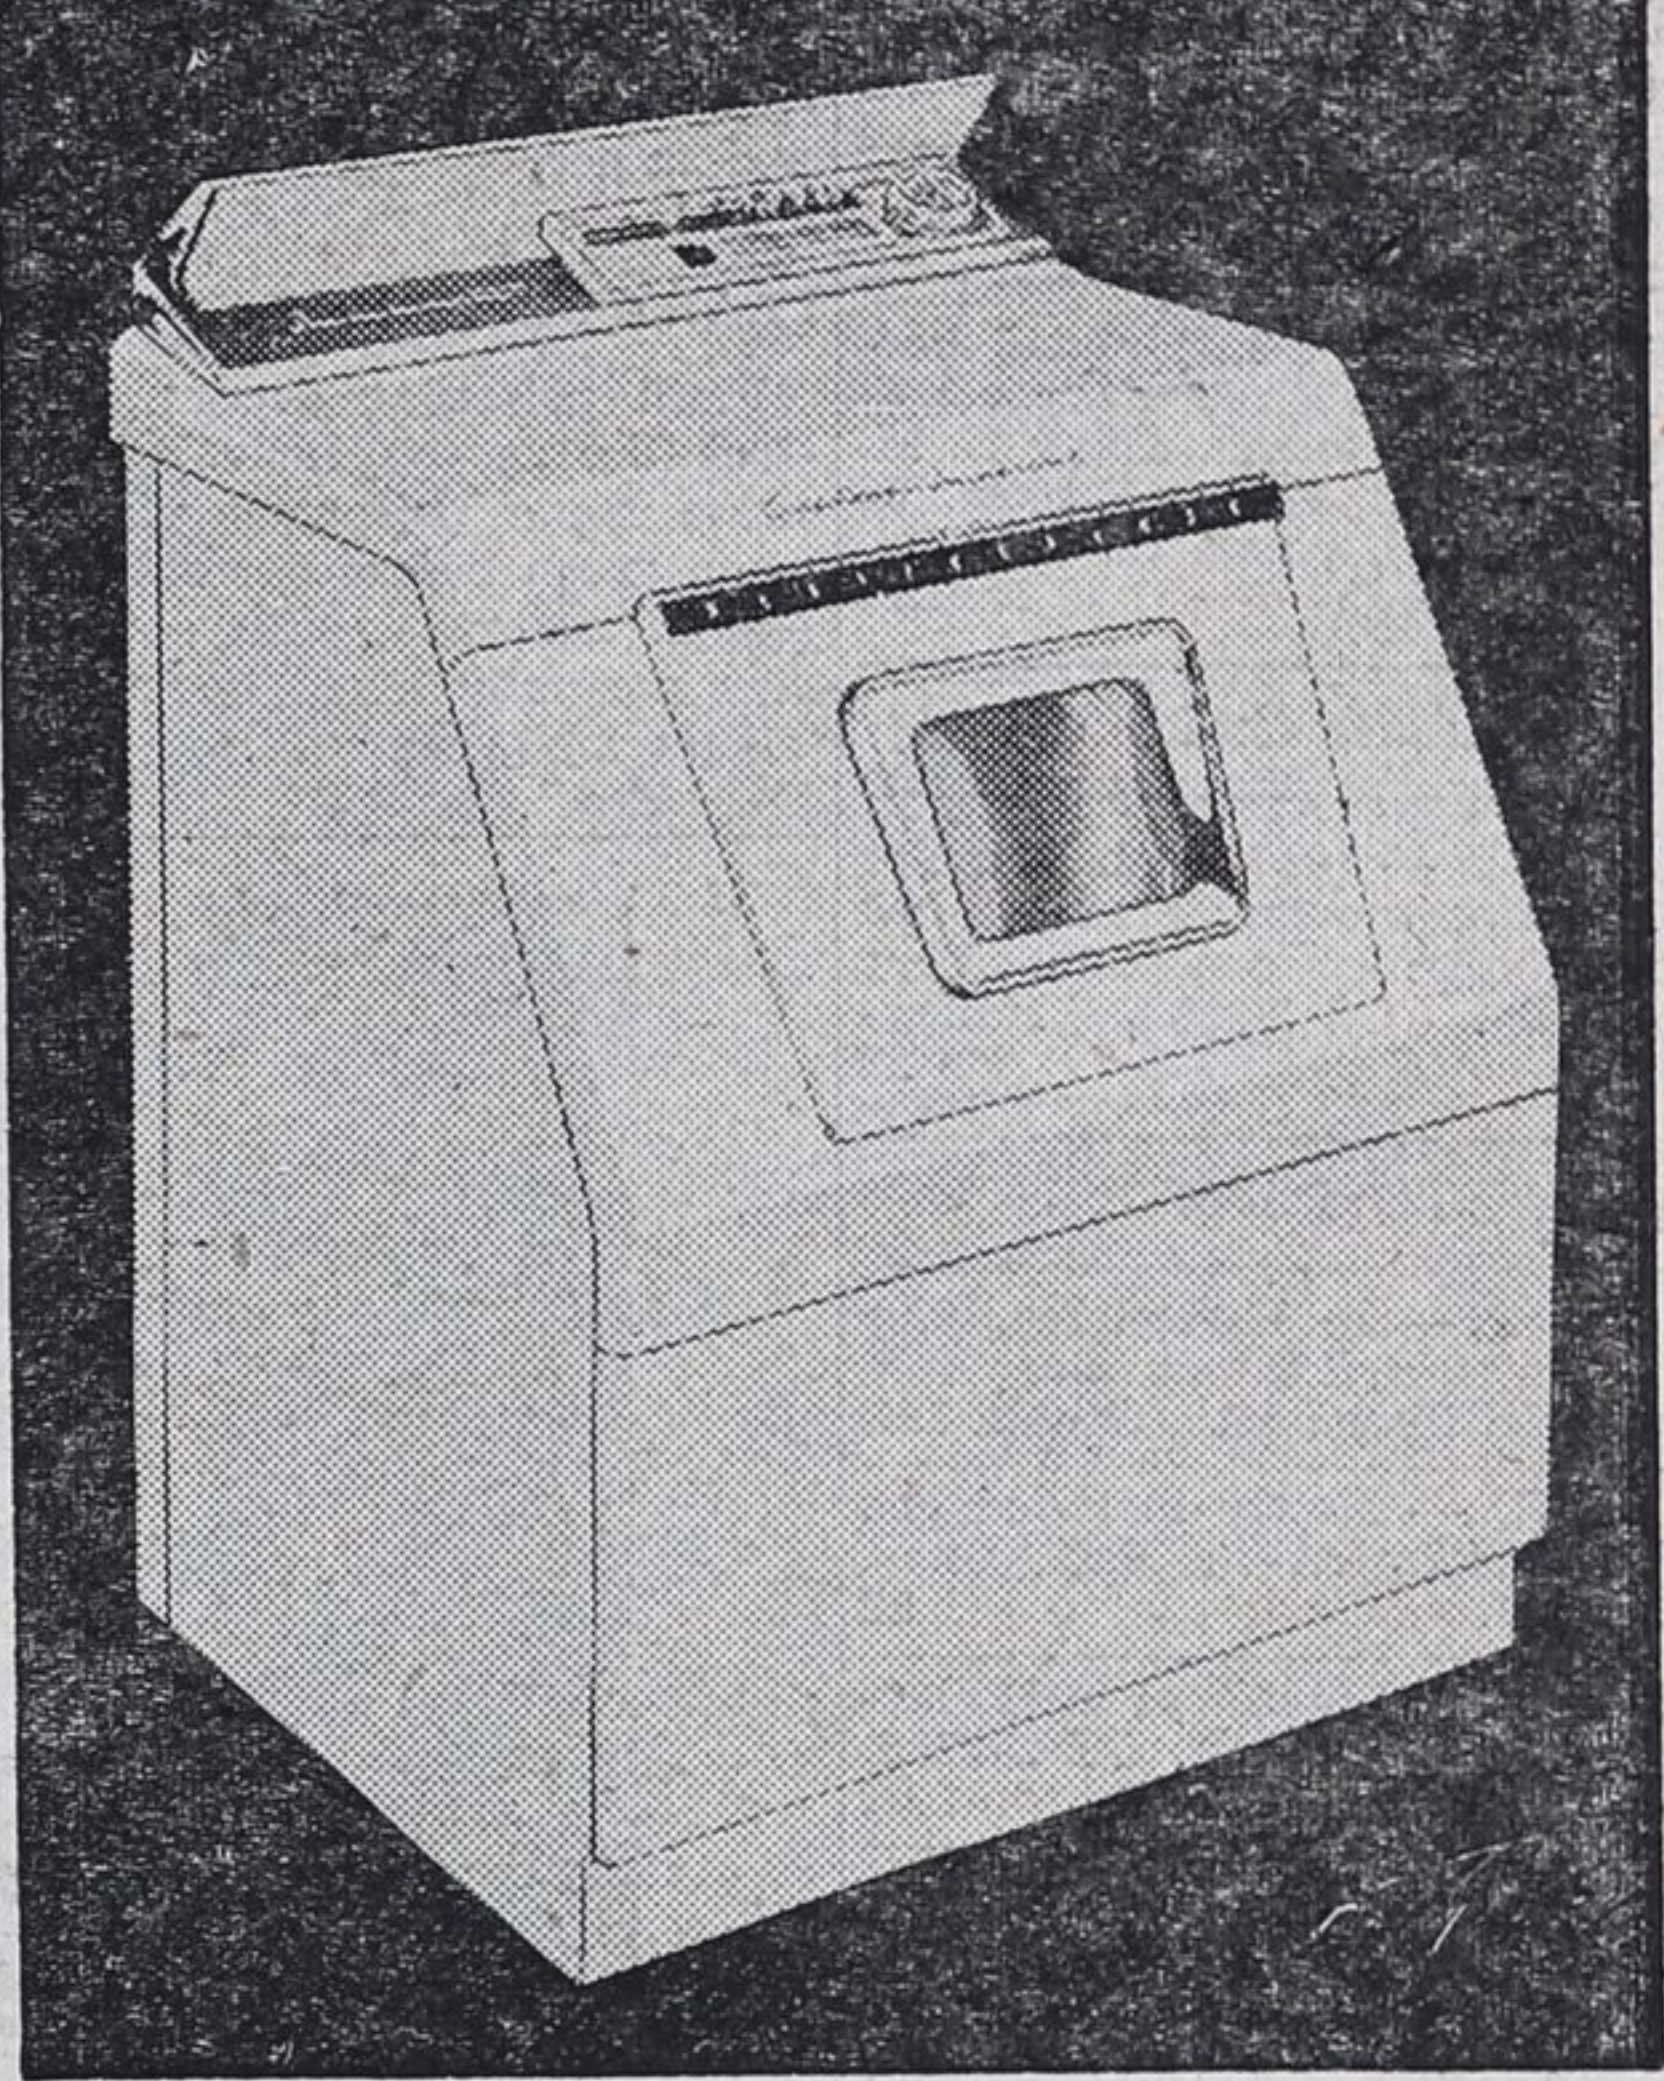

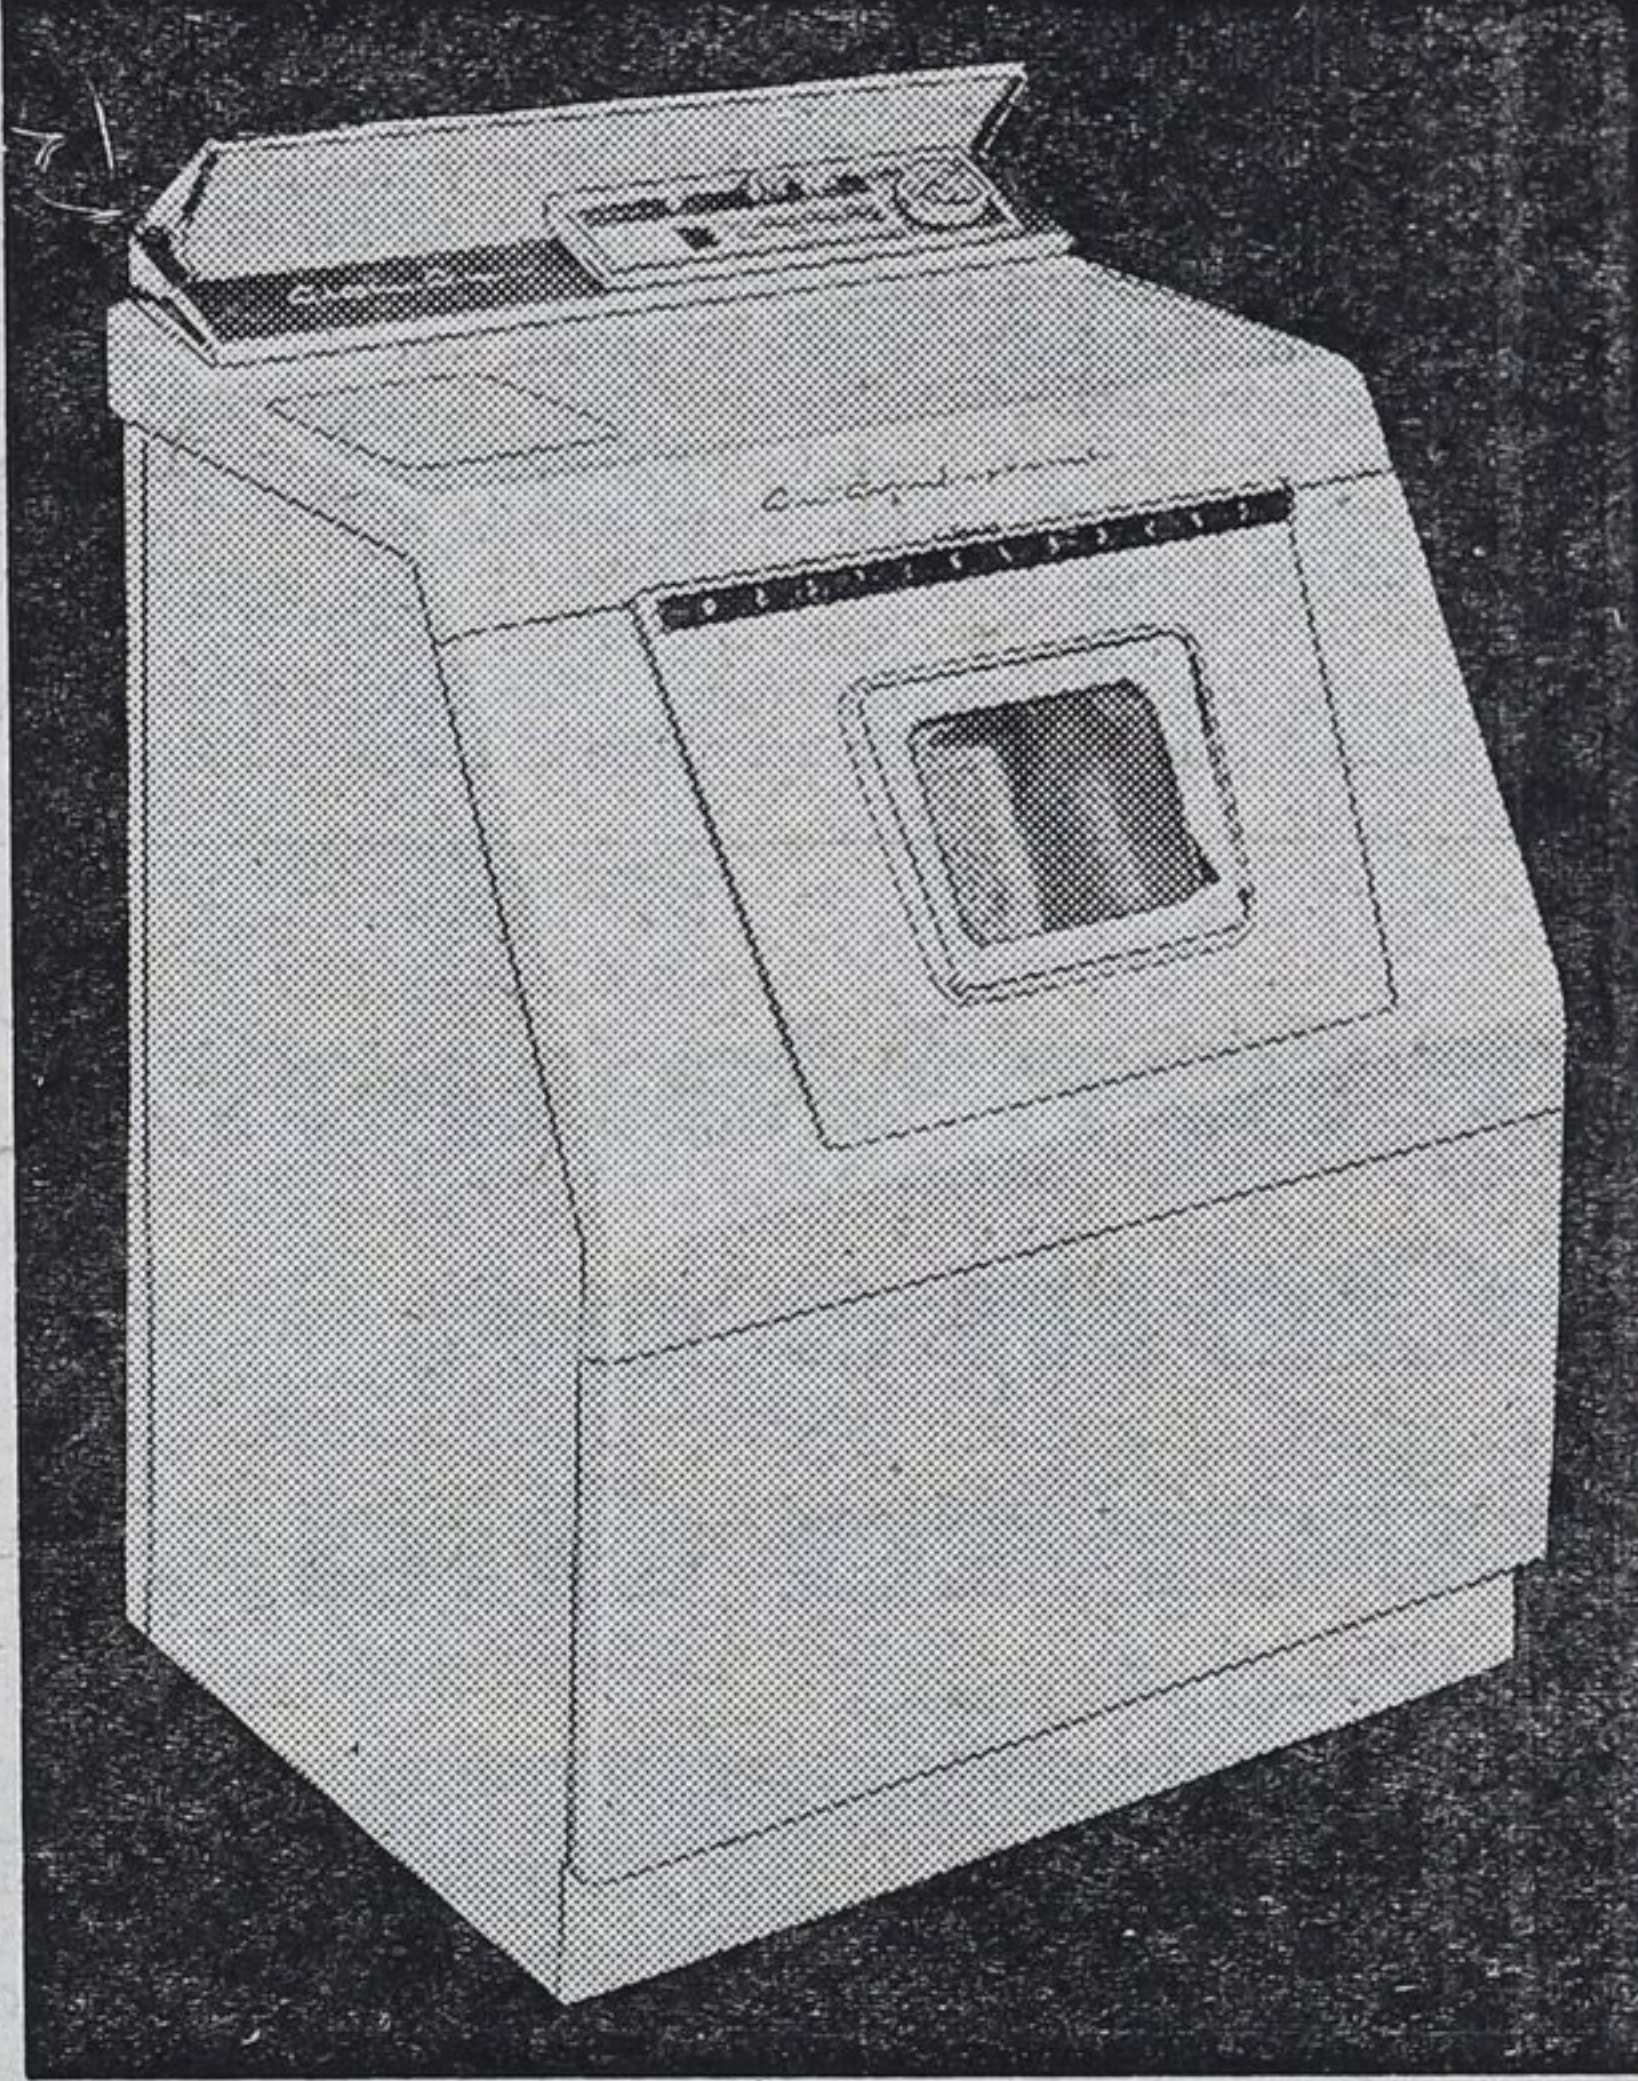

Beer at Brewers' Retail Stores went up five cents a dozen Saturday morning, R. W. Hillmer, president of Brewers' Warehousing Co. Ltd. said today.

Mr. Hillmer said that even with the new price change, Ontario beer prices will still be the lowest in any Canadian province. "Since 1950, while cost of other goods, as shown in the government's Consumers Price Index, went up 22.4% the price of beer in Ontario, including the new increase, has gone up only 10.3%," he said.

The increase will not be directly reflected in the price including the bottle deposit, paid by the customer at the Retail Store, Mr. Hillmer said. "The increase will come about through a reduction in the Warehousing Company's deposit charge on the bottles, from 30 cents to 25 cents a dozen. The gross prices which the consumer will pay at the store will remain unchanged, but he will receive 25 cents a dozen, rather than 30 cents back on his empties."

Mr. Hillmer added that customers in possession of bottles at the old deposit rate would have until August 8 next to return them to Brewers' Warehousing at the 30 cents a dozen rate.

Beer prices are also up in the local hotels, the price now for bottled beer has been hiked to 29 cents from 27 cents, and as soon as bigger glasses are available draught beer will cost 15 cents a glass against the present charge of 10 cents.
