

Popular Cobalt Couple Mark 50th Anniversary

COBALT — Mr. and Mrs. Thomson were at home to their relatives and friends in the afternoon and evening of Monday, Oct. 12, the fiftieth Anniversary of their wedding. The celebrants were married in Haileybury Presbyterian Church, October 12, 1909.

Mrs. Duncan is the former Cornelia Bennett, daughter of the late Mr. and Mrs. William Bennett of Ottawa and Mr. Duncan is the son of the late Mr. and Mrs. Alex Duncan of Johnston's Corner in Gloucester County.

Bouquets of gold and bronze mums, roses and yellow shasta daisies decorated their home for the occasion. The tea table was covered with a beautiful hand made lace cloth and was centred with the tiered anniversary cake and tall white candles in silver holders.

Mrs. A. D. MacArthur presided at the tea table and the ladies of the United Church Friendship Group served the many well wishers who dropped in during the afternoon and evening.

About seventy five visitors signed the lovely golden guest book during the day.

Their daughter Gladys, Mrs. Clarence McDonald, Mr. McDonald and granddaughters Ruth and Margaret, all of Kirkland Lake attended as well as Mr. and Mrs. Alex Hogg of Noranda, Mr. and Mrs. Thomas Rowe, Mr. and Mrs. Fred Elliott.

Mr. and Mrs. W. Ireton, Wilbert Scharfe and Mr. and Mrs. James Fraser all of Kirkland Lake, Mr. Charles A. Byam, Mr. and Mrs. Stan Mallett, Mrs. Annie Maddock, Mr. and Mrs. George Newman and Mrs. E. Buckborough all from New Liskeard, Mrs. G. Warren,

Evangelist Speaks At Baptist Church

From September 30 to October 11 both dates inclusive, Rev. John McHardy, formerly of Ireland, now of Milton, Ont., conducted an evangelistic campaign in the Haileybury Baptist Church, during which several decisions for Christ were made. As well as holding eight week-night meetings and four Sunday services, Mr. McHardy carried out an extensive visiting program in the Haileybury, Cobalt and West Road areas.

On Thanksgiving Sunday the Church was beautifully decorated with autumn leaves and an attractive display of fruit and vegetables as a token of Thanksgiving to God for the many temporal and spiritual blessings received.

Pastor H. deVries, now attending McMaster University, was present to assist Mr. McHardy at both Thanksgiving services.

North Bay. Mrs. A. Clow, North Cobalt, Mr. and Mrs. I. Lytle, Mr. and Mrs. R. Stromberg, Mrs. Blanche MacDonald, Mr. and Mrs. M. Glazier, Mrs. Adair and Mrs. Austin all from Haileybury, Mr. and Mrs. Wilfred Bond of Ottawa, Mr. C. W. Duncan of Ottawa's Falls and numerous friends and neighbours from Cobalt.

Mr. and Mrs. Duncan received numerous telegrams, cards, gifts and flowers as token of the esteem in which they are held by the community and all those who know them. They would like to thank all their friends and relatives and the Friendship Group for making their Anniversary such a memorable occasion for them.

Transportation

At a special meeting of North Cobalt Public School Board, members were supplied with a list of pupils needing transportation to Cobalt and Haileybury High Schools.

Twenty-one pupils are presently attending the two schools from North Cobalt, 18 making the daily trip to Haileybury and the others to Cobalt.

The list has been forwarded to School Inspector M. C. Napper, and he has promised to send the list to the Department of Education for approval and grants.

St. Therese Church Building Fund Nears Objective

Plans for the new St. Therese church in Cobalt are getting closer to reality, as the fund raising committee headed by Reverend O. Lemay report steady progress.

The group is campaigning for \$20,000 which will be backed by a loan from the diocese of between \$30,000 and \$40,000. The canvassers so far have collected \$4,568 and have pledges totalling \$14,000. The Ladies of St. Anne are also running their own fund raising projects towards the new building.

Father Lemay stated that substantial donations have been promised for the spring. He said that some people were worried about Cobalt's future, but that he has no fears on that score. "We may be passing through a bad time, but there is every indication that the town will have a prosperous future as the mining picture improves," he said.

"I want to see work on the new church start in 1960, and I believe I shall," he stated. St. Therese parish serves some 125 families in Cobalt.

Haileybury High Team Has Tie in Cliffhanger

By Bob MacDiarmid
First Quarter

Noranda kicks off to Haileybury; with Black receiving the ball on his 25 yard line, and running back to about his own 40. Haileybury could not get first downs, Noranda takes over on Haileybury's 40. Noranda in four plays for four first downs ran over for the first touchdown of the afternoon. The convert attempt was missed. The rest of the quarter was a nip and tuck battle, as was the whole game, with first Haileybury getting the ball then Noranda. In this first quarter Haileybury looked like they were going to hit pay dirt, with a completed pass to Black from Tyson, and Tyson trying the end only to be stopped on Noranda's ten. Brown then tried centre of the Noranda line, but could not get by its defensive unit. Noranda then took over on its own five yard line and got to its 35 yard line. This ended the quarter with Haileybury with the ball on Noranda's 35.

First quarter Haileybury 0, Noranda 6.

Second Quarter:

The second quarter was a repeat of the first with Noranda going over for its second touchdown of the afternoon. Haileybury still fighting for that tying touchdown, started the quarter with a "bang". Black passed to Tyson on Noranda's 40 for first downs, Tyson then passed to Buffam on Noranda's 25. but was stopped on Noranda's 20. Their next bid for first downs fizzled, and Noranda got to their own 30 yard line on an end run by quarterback. Noranda on the next play fumbled, with Johnson of Haileybury recovering. Brown tried centre of Noranda line to gain five yards, next play tried again but got nowhere. Tyson on third down passed to Black in the end zone, but the pass was incomplete. Noranda then took over on its own 25 yard line and marched right down field to get their second touchdown of the afternoon. The convert attempt was missed. The remaining few minutes left in the quarter was a series of attempts to get first downs, but neither team could gain. This first half was completely dominated by Noranda, with its yard gainage mostly on the ground, while Haileybury tried an aerial attack.

Halftime Haileybury 0, Noranda 12.

Third Quarter:

This last half shows a complete rejuvenated Haileybury Squad, with a fine combination of ground and aerial attacks which led to two touchdowns. Tyson on Haileybury's first play of the half passed from his own 40 yard line to Buffam, who got to the Noranda 40. On the next play with some fine back field faking, passed long to Black on the Noranda ten, who picked the old apple out of the air, and ran into the Noranda end zone for Haileybury's first touchdown of the afternoon. The only Noranda threat in the whole quarter was when they were on their 30 and started their march into the Haileybury end of the field, only to be stopped by Haileybury's defensive wall on Haileybury's ten yard line. The whole quarter and the remaining plays in this quarter were attempts by both squads to get that extra touchdown. It was a nip and tuck battle with the keynote being hard and rough tackling by both squads, and a few well placed knees and elbows by the Noranda boys.

Third quarter Haileybury 6, Noranda 12.

Fourth Quarter:

The fourth quarter was a game in itself, with tough play by both squads, but with Haileybury coming out on top with one touchdown. Haileybury with beautiful end runs by Tyson, Black and Buffam, were finally stopped on Noranda's 20. Noranda then fought to mid-field, but could not gain another yard. Haileybury then took over and Tyson again tried end for fifteen

yards. Next play Tyson passed to end George Mahon, who was standing on Noranda's 20. Tyson on the next play tried the end again and got to Noranda's three yard line, where he was forced out of bounds. Brown again tried centre of Noranda line, but lost two yards in the process. Then with less than five minutes to go in the game, Tyson barreled around the end with the tying touchdown, the convert attempt was missed. Noranda received, but on their attempt to get that extra point could get no farther than the fifty yard line. Haileybury took over and got to the Noranda ten. Buffam doing the quarter backing, with less than a minute to go, passed to Black, incomplete. This ended the quarter and the game.

Final Score: Haileybury 12 - Noranda 12.

Fall Fashion Show Aids Bursary Fund

Members of the Haileybury Chapter of the IODE heard an interesting paper on Communism, given by Mrs. George Black, when they met October 5, at the home of Mrs. G. Cassidy.

The treasurer reported that the net proceeds of the Fall Fashion Show were \$154.00 and thanks were again extended to the Evelyn Shoppe for the much needed boost to the bursary fund.

Letters of appreciation were read from Joyce White, Betty Lou Atcheson and Roger Desmaris, the Award winners for 1959.

Mrs. T. Parry is convening the Bake Sale October 16 at the Haileybury Garage Showroom. Donations of baking from members and non-members will be most welcome.

A letter from the National Regent urged all members to review their by-laws. Chapters failing to have them, must prepare and have them approved before January 15, 1960. A committee to attend to this matter was set up and will report later.

The next meeting will be held at the home of Mrs. C. Lowery on November 9. The executive are asked to meet at 7:30 the same night.

Immunization

Dr. E. R. Harris, Medical Officer of Health, Timiskaming Health Unit will conduct Immunization Clinics as follows:

North Cobalt Public School Friday, October 16, 1959, 10 a.m. to 10:45 a.m.

North Cobalt Separate School Friday, October 16, 1959, 11:15 a.m. to 12:00 noon.

All parents are invited to attend and have their children protected against Whooping Cough, Diphtheria, Tetanus (Lockjaw), Smallpox and Polio. This protection should be given your child from three months of age upwards and may be obtained from these clinics or from your family physician. Salk Polio Vaccine will also be available to any adult who is a resident of an area served by this unit.

Wm. John Perrin

Wm. John Perrin for many years a resident of New Liskeard died on Tuesday in North Bay Hospital after an illness of five months. He was in his 72nd year.

Services will be held in Perrin Funeral Chapel today with Rev. James Young officiating.

Interment will be in Smith Falls Cemetery.

Student Failure Voices Complaint

Misericordia Hospital authorities are disturbed by the prominence given in a district daily paper to complaints made by a disgruntled student nurse.

"Such a story could undermine confidence in a public institution such as ours," said Hospital Comptroller Clayton Dunn, "although it is merely the ramblings of a student who is trying to blame his lack of qualifications for nursing, on his teachers."

Mr. Dunn said that such an isolated complaint should have been fully investigated before it reached print, "If this had been done there would have been no story," he said.

The Administrator told the Speaker of Eurat Allder, a student from Barbados had given early evidence that he was not suited for a nursing career. "Had he been a Canadian his training would have terminated in the first month, but because he was from abroad we could not discharge him until his six months visa had had expired," explained the comptroller.

"It is significant," continued Mr. Dunn, "that we have 10 students from his country who are happy and good students."

"Mr. Allder has known for some time that we planned to discharge him as unfit for a nursing career" said Mr. Dunn "and that we would not be applying for a renewal of his visa as we do when students prove satisfactory, and this is his way of fighting against being returned home a failure."

Other students at the hospital are unanimous in their praise of their treatment at the hospital, and their quick progress towards graduation. Said one attractive student; "The hospital gives us free training in an exciting vocation, provides us with free board and lodgings, and supplies us with pocket money during the training period, and there is no other institution that does this, with the possible exception of the armed forces."

Another pointed out that students of many religious faiths are accepted, "The hospital authorities do not interfere with our religious beliefs," she said.

None of the students spoken to had any complaints about the food "We get the best available in the hospital," another pointed out, "which means, as far as we are concerned, the best available."

The complaints made by the student are being investigated by Immigration authorities.

The Weather

September temperatures ranged slightly higher on the average than the same month last year. The average daily mean temperature for the month was 59.8, last year it was 58.3 and since 1894, the average was 55.1.

The maximum recording for this September was 86, on the ninth, last year it was 81 and since 1894 it was 90. This was in 1921. The minimum temperature for this September was 33, on the sixteenth, last year it was 39 and in 1916 it dropped to 7.

Week ending October 13, 1959.

	Max.	Min.
Wednesday	54	41
Thursday	58	45
Friday	63	40
Saturday	61	46
Sunday	59	47
