Corporal D. K. Herman of Kamloops and Prince Rupert, B.C., points out some of the Argus' more interesting features to a group of Australian soldiers at Richmond Air Base near Sidney, Australia. The Argus was one of two RCAF anti-submarine aircraft which toured "Down Under", taking part in exercises with the Royal Australian Air Force. One of the long-range aircraft set a new Canadian endurance record on the return trip, flying from Hawaii to North Bay, Ont., a distance of 4,570 miles.

**Good Firemen**

The pulp and paper industry spends more on forest protection than the provincial governments, the owners of the forests. The mills have a greater investment in fire fighting equipment than the provinces.

Almost one billion pounds of milk was used in the production of cheese in Canada last year. This represents the total milk production of approximately 170,000 cows.

## Findlay H. Cameron

Findlay Hugh Cameron, a resident of the north for many years died in Misericordia Hospital, Haileybury, Friday morning, October 9, following an illness of several months.

Mr. Cameron, who was the son of Mr. and Mrs. Donald Cameron, was born in Beckwith township, near Carleton Place on July 3, 1868. One of a family of seven, he learned the bricklaying trade and during his early life he operated a brick kiln in company with his brother William. Later he became manager of the Brockville and Delta Lime Kiln.

He was married September 29, 1908 to Miss Eva Weeks of Carleton Place. They made their home in Delta for a time, then came north to Haileybury, where Mr. Cameron built a home near the south end of the town. When it was destroyed by the fire of 1922, they moved to Cobalt and purchased the house on Nickle St. that has been their home ever since.

His quiet and kindly disposition made friends for him where ever he went. He will be missed and remembered as a good neighbor and friend.

For many years before his retirement, he was employed by the O'Brien and the McKinlay mines. The work he did as a brick and stone mason, particularly in fire places, all over the north, will remain as a monument to his ability, for many years to come.

Mr. Cameron is survived by his wife and two nieces, Mrs. Jean Colbourne and Miss Elsie Cameron, both of Carleton Place.

Funeral services were conducted from Buffam's Funeral Chapel, Co-

balt, Monday, October 12, with Pastor H. de Vries of the Haileybury Baptist church officiating. During the service Mrs. A. Svekers of Cobalt, sang "The Old Rugged Cross."

Interment was in Mount Pleasant Cemetery, Haileybury, with Murray McKinnon, Robert Burnes, James Armstrong, Percy Lemon and Ivan Tresidder, all of Cobalt, and A. H. Cooke of Haileybury acting as pall-bearers.

Dr. Mary McCallum of Smiths Falls and Dr. Kenneth McEwen of Toronto attended the funeral.

At the time of the most recent census there were about 200,000 more men than women in Canada.
