The practise of allowing the separation of mineral rights from surface rights is hurting mining municipalities, according to Chas. Dakins, Township of Coleman clerk.

Mr. Dakins was one of several persons who spoke when the Ontario Public Lands Investigation committee held a hearing in the court house at Haileybury.

Mr. Dakin said that as the municipalities cannot tax the mineral content of mining claims, it is virtually impossible to collect taxes on the frequently worthless surface rights. He suggested that the government should impose an equalized mill rate on all mining claims, and make the payment of surface taxes a condition of keeping mineral rights.

A group of Cobalters from the north end of town protested the manner in which the Mastermet Mining Company has been able to sell its mineral rights, but keep the surface rights on which more than 50 homes are situated. They were told that while the committee is sympathetic, the matter has been settled in the courts.

Stan Fleming, a Haileybury prospector, said that the government should try and give more consideration to the ordinary prospector. He said that the government has taken away most surface rights and lake frontage rights from the prospector.

Mel Robb complained that lumbering companies are putting padlocked gates across roads which the prospector should be able to use. George Byles of Haileybury said that it is time the provincial parks were opened for prospecting. He agreed with the deputy minister of Mines, H. C. Rickaby, that there would have to be some limitations to prevent large sections of provincial parks being patented.

The committee consisted of D. Horan, secretary; J. J. Rankin, executive secretary of the prospectors and developers association; J. J. Yaeger, assistant deputy minister of the department of lands and forests; H. C. Rickaby, deputy minister of mines; J. F. McFarland, Mining commissioner for Ontario; Major General Howard Kennedy; consultant to the department of lands and forests; F. W. Beatty, surveyor general of Ontario; John Beattie, executive director of the Ontario mining association; Dr. M. E. Hurst, provincial geologist.

**David T. Thaw**

One of the best-known and most respected residents of Latchford, David Thompson Thaw, Deputy Chief Ranger in charge of the Department of Lands and Forests Headquarters at Latchford, died on Saturday, October 17, while on a hunting trip in the Gowganda area.

Mr. Thaw, who had been an enthusiastic hunter all his life, was accompanied by Dan Paul, Tom Proud and Mel Nurmi. While Mr. Paul remained at the camp, the others had set out across country to Hangingstone Lake. Mr. Thaw became separated from the other two and when they returned on their trail they found him sitting on a log, dead, having evidently passed away from a heart attack.

With considerable difficulty, the others managed to get word out to Elk Lake where Constable Sexton arranged for the Lands and Forests plane, stationed at Swastika, to fly in on Sunday for the body. In spite of very poor flying conditions, Pilot Dean Allan accomplished this and the body was brought out to Elk Lake from where it was taken to the Buffam Funeral Parlours at Cobalt.

The late Mr. Thaw was born in Wentworth County in 1894. At a very early age he moved with his parents to Emsdale where he lived until he came north to work for the Department of Lands and Forests about 1927.

He married Mrs. Mary Jane Brohm, nee Thorne, of Emsdale, in 1927. After Mr. Thaw was appointed Deputy Chief in charge at Latchford the family took up residence at Latchford and have lived here since.

Mr. Thaw was a veteran of the First World War and was wounded in action. At the time of his death he was Chairman of the Latchford Public School Board, a member of Silver Masonic Lodge in Cobalt and of L.O.L. 1945, Latchford. He was a member of the Latchford United Church.

He is survived by his wife, two brothers, Sam of North Tonawanda, N.Y., and Wally of Kirkland Lake, one daughter, Joan, Mrs. Lloyd Heikkila of Cobalt, one step-daughter, Mrs. Russell Robertson of Haliburton and two stepsons, William Brohm of Toronto and Joseph Brohm of Englehart.

A short Masonic service was held at the Funeral Parlours on Monday evening. The funeral service was held at the Latchford United Church on Tuesday, October 20, with the Rev. H. L. Wiprecht officiating.

Pall-bearers, all Dept. of Lands and Forests employees, were Jack Lalonde, Temagami, Ed Mantle, Haileybury, Percy Bates, Angus Lingenfelter, Lawrence Anderson and Arthur Wright of Latchford. Interment was at the Haileybury Cemetery.

Relatives in attendance were: Mr. and Mrs. Lloyd Heikkila, Cobalt, Mr. and Mrs. William Brohm and family, Toronto, Mr. and Mrs. Russell Robertson, Haliburton, Mr. and Mrs. Joe Brohm and daughter Bonnie, Englehart, Mr. W. Thaw, Kirkland Lake, Mrs. Jack Thaw and Mr. and Mrs. William
