

Haileybury Team Wins Tight Tilt 7-6

By Bob MacDiarmid

First Quarter

The Haileybury Juniors seem to be taking the example of their senior team by winning their first game of the season. Haileybury kicked off with Scalzo of the Haileybury squad handling the kicking chores. Cobalt ran back to their own 45 yard line. Cobalt marched down to the Haileybury 45 where they were finally stopped. Haileybury took over but could not gain first downs. Cobalt again took over on their 50 and got to Haileybury's 40 yard line, for first downs. In the next play the Cobalt quarterback passed, but the pass attempt was intercepted by Scalzo who ran to mid-field where he was tackled. This quarter was completely dominated by Cobalt who kept the play in the Haileybury end during the whole quarter. The only bright spot on the Haileybury squad was the excellent defensive works by Phil Perry.

First Quarter: Haileybury 0, Cobalt 0.

Second Quarter

The second quarter was one that was full of slips and falls. The playing condition of the field was very poor and as the play progressed the field had turned to a muddy mess. This condition accounted for many of the slips and loss of yards which would have otherwise have been first downs or near first downs. The second quarter in itself was quite similar in play to that of the first quarter having the majority of the play in the Haileybury end, but could not seem to get past Haileybury's defensive unit. To counter Haileybury's strong defense was its very weak offensive which could not seem to muster an attack.

Halftime: Haileybury 0, Cobalt 0

Third Quarter

To start the third quarter Cobalt kicks off, with Scalzo of Haileybury receiving and running back to his own 40 yard line. Haileybury could not gain first downs. Cobalt takes over on the 45 yard line and fights to Haileybury's 25 yard line, but could gain no further. Haileybury took over on their own 25 yard line. Scalzo attempted a pass to Black, but it was intercepted by a Cobalt player who ran all the way for the first touch-down of the afternoon. Convert missed. Herbert of Haileybury receives the Cobalt kick and gets to his own 53. Haileybury squad could not get the first downs so Scalzo kicks. Cobalt fumbled on their own 33 yard line and Perry of Haileybury recovered. This recovery seemed to put some life in the Haileybury boys for they marched right down the field to tie the game up. McCarty of Haileybury barreled up the centre for eight yards. Scalzo kept for four yards. McCarty again barreled up centre for five more yards. On the next play Scalzo passed over the heads of Cobalt defenders, into the hands of Murray Black who hit pay dirt to tie up the game. The convert attempt was missed.

This play ended the third quarter.

Third Quarter: Haileybury 6, Cobalt 6.

Fourth Quarter

In the fourth quarter both teams fought hard to try and get that tie breaking point. Cobalt received, but could not receive first down. Haileybury took over but they could not get that ten yards. This style of play predominated until about five minutes left to play. Haileybury had possession of the ball on Cobalt's 45 yard line. Culhane tried the end again, but fumbled, he recovered his own fumble. Scalzo then quick-kicked into Cobalt's end zone. Perry of Haileybury tackled the player behind the line which counts as a rouge and one point. Cobalt tried valiantly to get the tying point or better, but time was running out on them and got no further than their own 40 when the game ended. The teams as a whole played extremely well, considering the condition of the field and that some had never played a game of organized football before. Special mention must be given to Gordy Scalzo who called a very good game, and also to Philip Perry who played a full 60 minutes, a bang up game as well on offence and extremely well on defence.

Fourth Quarter: Haileybury 1, Cobalt 0.

Final Score: Haileybury 7, Cobalt 6.

Cubs Play

New Liskeard hockey fans will not need to wonder much longer what kind of a team the Cubs will ice this year... they will see the new club in action against Holy Name on Friday night at the New Liskeard arena in a post-season game. Coach "Shep" Shepherdson is hoping the fans will fill the hall. "We need a bit of money for our current expenses," he said, "and a good crowd will encourage the boys who have been working hard."

The highest drying-air temperature of a crop intended for seeding purposes should never exceed 110 degrees.

Cobalt Lions

breakfast and coffee party in the Legion Lounge Sunday morning from 9 till 11 and the orchestra came over after the men's breakfast to provide some musical selections for the ladies.

Business sessions were held in the Fraser Hotel with a Cabinet meeting Saturday night presided over by District Governor Hilton Miller of South Porcupine. Also attending were: Deputy District Governors Lawrence Buck of Cobalt and Warren Sparks of South Porcupine, Zone Chairman Joe Bond of Kapuskasing, Lockie Goddard of Temagami and Russ Robertson of Larder Lake, International Counsellors Frank Benoit of Virginiatown, Dave Coombs of Timmins and Clifford Cox of Temagami.

Forum discussions were carried on Sunday morning at the Fraser Hotel with the Presidents and Vice-Presidents Forum conducted by Deputy District Governor Warren Sparks, Secretaries and Treasurers Forum conducted by Deputy District Governor Lawrence Buck and Committee Chairmen Forum conducted by Zone Chairman Russ Robertson. All groups gathered together for a District meeting at 11.45 a.m.

The Rally Banquet was held at 2 p.m. in the Community Hall where the guests enjoyed a turkey dinner served by the Ladies Auxiliary of St. James Anglican Church. Guest speaker was Past Deputy District Governor Doug Carriere of Timmins. Mr. Carriere is head of the Vocational Guidance department at Timmins High and Vocational School and chose as his topic "Parenthood". Mr. Carriere said Parenthood is the greatest challenge to modern society and never has there been a time in human history when it was more important for democratic society to conserve and utilize to the fullest their human resources. While there is a wealth of guidance and training available for young people, their basic training and guidance must come from the home and family. He went on to say that to place the responsibility for guidance and upbringing upon anyone but the parents is an abnegation, and the proper development of their children is the parent's greatest responsibility.

Training children to accept responsibility is the essence of proper guidance, Mr. Carriere said. They must be led and encouraged to naturally accept responsibility, but at the same time must not be

permitted to let their will dominate their parents.

Children should be told realistically what a family's financial position is, and taught to adjust their wants to the family's overall needs. Far too many parents can be divided into four categories. The easy going, the stern, the protective, and the over indulgent. The task of the parents is to try and steer a sensible course between these extremes.

Mr. Carriere said that the last was a catastrophe which robbed the country of a whole generation of potential leaders. "I, myself taught 45 boys who later lost their lives in the war."

Mr. Carriere stated that 600 million people in Red China are rapidly reduced to the level of human ants, with no respect for human life. "This political outlook can only be countered by developing our own people to the utmost, and they in turn may influence people in uncommitted nations. But when you are hungry, as many are, you are not going to consider philosophy. We have a big job to do right in our country. As parents

we must develop our people so that they in turn may influence the world," he said.

Winners of several Silver dollar draws held throughout the two day event were: Mr. Bill McCormick of O'Brien, Mr. Gerald Doughty of Timmins, Mrs. Bella Boyce of Latchford, and Mr. Martin McHugh of Timmins.

The Cobalt Lions Club would like to express appreciation and thanks to all those who helped to make the District Rally such a "hit" with a special word of praise to the Ladies of the United Church Friendship Group who catered for the Men's breakfast, the Ladies of St. James Anglican Church W.A. who catered for the banquet, to Mr. and Mrs. J. Jones and their assistants who helped out with the various events held in the Legion hall, and Mr. and Mrs. J. O'Rourke who did such a grand job at the Community Hall.

Newfoundland, 10th and latest of Canada's provinces, represents a market for mainland estimated at \$250,000,000 a year.
