By MRS. MAC

Next Monday, one of the pioneer women of the town is being honored by her church for her unflinching work in its behalf. She is Mrs. Margaret Piche who came to Haileybury in 1905, with her husband and six children.

She is being presented with a life membership in the Woman's Auxiliary of the Diocese of Algoma by Rev. R. Nixon and Mrs. G. L. Cassidy, president of the local Aux-

## News from the Evelyn Shoppe

A hint left at Evelyn's could easily reach dear old Santa and bring you some of the beautiful "Luxite" by Kayser, made of Kayonara nylon tissue with the silken touch. Such intriguing names as Wishing Star set, with waltz length nightie that is pretty enough to go dancing in (The name somehow makes one feel young and gay), in Red Spice and Blue Frost; the Jewelled Veil set - the nightie has a richly embroidered sheer overlay in the top. The Peignoir also has an embroidered top with fine nylon lace trim and full sweep in skirt. This is in "Amber Gold", an exciting new color. GOLD, that magic word, should get a number of our prospectors and gold fans down to the Evelyn Shoppe as these "golden nuggets" of fashion could be a better investment than some of our mining stocks. And wouldn't wife, mother, daughter or sweetheart get a real thrill at finding a set of "Luxite" under the tree.

The "Pop-over" pyjama is the newest and cutest of sleep-wear fashion. The shortie jacket with yoke of embroidered sheer has a ruffle at the bottom and is worn with Treador trousers. Truly feminine!

Beautiful lace trimmed slips and matching panties. Something to suit every taste and when you ask for, and get, Luxite by Kayser, you know you are getting top quality.

I wish we had time to tell you of all the beautiful housecoats in Viyella flannel, quilted nylon, corduroy and the new wonder fabric, "Vocama", completely washable and so soft and warm, in both housecoats and lounging pyjamas.

Of course, for those who still like the comfort and warmth of flannel-ette, we have an excellent range of sleepwear from \$2.98. A shipment of Pussy Paw casual slippers is just in.

When in doubt, a Gift Certificate from Evelyn's can be used at any time throughout the year. They can be had from \$1.00 up and you would be surprised at what Miss Lady can still buy with one dollar.

iliary of St. Paul's Anglican Church.

Mrs. Piche came from Ottawa and recalls that when she arrived here there were very few sidewalks and a great deal of mud. Her husband, who passed away nineteen years ago was employed by the Northern Ontario Light and Power Company for over thirty years. She remembers her first Christmas in the north and the difficulty of trying to get a Christmas tree set up with the "assistance" of six children.

She and I have something in common for I, too, came from the Ottawa Valley.

Haileybury will be a much more festive looking town this year than it was last if the Rotary Club, the Chamber of Commerce and the Town Council are heeded.

They are sponsoring a drive to have all homes in the town decorated and are offering substantial prizes for the three best ones. The judging will be done between December 15 and 20 so dust the cobwebs off your ideas and get to work.

They have not told me what they will consider in judging but I would respectfully like to suggest that suitability, (the Christmas theme,) originality and ingenuity be considered more than a lavish display of ready-made electrical decorations. Anyone who has the money can buy enough decorations to make a wonderful display, but the person who plans and builds or makes the most of their own should not have to compete in the same class.

I wish I had more time to spend on our decorating for nothing gives me more satisfaction or pleasure than thinking up new ideas and then working them out.

## Ladies Night For Rotary Club

A film on Australian Road Races provided the program for this week's Rotary Club meeting. The film was shown by Klaus Sroka and gave some interesting sidelights on motor car racing.

The annual Ladies' Night was planned for December 12.

Plans are also being made, in conjunction with the Chamber of Commerce and the Town Council, for a drive for more decoration of homes during the Christmas season. Prizes will be offered for the three best decorated homes. Judging will be done by impartial judges between December 15 and the 20th.

Two visiting Rotarians from North Bay, John H. Olthorff and R. P. Tennant, were welcomed.

The sing-song was in charge of a father and daughter team, Max Whitby leading and Miss Sally Whitby at the piano.

In the last fiscal year, Canada spent \$291 million on behalf of war veterans and their dependents; pensions cost \$151 million, treatment and welfare services \$61 million, veteran's allowances and benefits \$61 million.
