Not for Youth Alone

Amongst the noble sporting achievements of 1958 recorded is that of Ted Williams of the Red Sox. At the age of 40 he gained his sixth American League batting championship.

Home and School Hears Mrs. Pickard

Mrs. H. Pickard, member of the Haileybury public library, was the guest speaker when the Home and School Association held their November meeting.

Mrs. Pickard spoke on "Good reading for children," and illus-

trated her remarks by a display of books from the library. Many books from the school library were also on display. She gave the following list as being ten of the best books for children to read; Lavendar's Blue by Martha Grosse; Peter Pan, by Barrie; Paddle to the Sea by Hallway; The Wind in the Willows by Graham; Heidi, by Spyri; Merry Adventures of Robin Hood by Pyle; The Story of Dr. Doolittle by Loring; Pirate Ships

and Sailors; Cowboys and Indians. Mrs. Pickard was introduced by Mrs. Iris Knight and thanked on behalf of the group by Mr. Wilson. The attendance banner was won by Miss Burnett's Grade one room. It was decided to hold a Christmas Carol service in the school auditorium on Dec. 17 instead of the regular meeting.

... and you can make this her happiest Christmas yet! Give her a modern electric appliance—the gift that shows you care enough to lighten her work throughout the year. Modern electric appliances are easy-to-use, economical to operate. They give long service—lasting satisfaction. This year, tie a Christmas ribbon around her "most wanted" electric appliance. It's a thoughtful gift because it helps her "live better electrically"—the safe, clean, modern way.
