North Cobalt Public School will be the first to view this film on Friday afternoon along with their parents and pre-school brothers and sisters. Then will follow the Community Brownie Packs of Haileybury and later in the evening the Sunday School children of North Cobalt United Church.

Saturday will be the day for the showing for the St. Andrew's United Church children at Haileybury thus Eaton's will really come to town this week-end.

St. Andrew's United Church has seen the addition of a very attractive "imitation" stained glass window of the Nativity created by the Sigma C boys. The younger boys known as the Tyros have been busy in the manse basement making things in wood and what will happen to their work is still a secret.

St. Andrew's girls, known as the C.G.I.T. will give their contribution to the church and community in the form of a Candle Light Vesper Service this Sunday night at 7:30 p.m. Thus the children of St. Andrew's are a credit to their Church and Community.

Last Sunday the Sunday School of St. Andrews United Church, Haileybury heaped their presents around the Manger during the

# Haileybury Men's Successful Spiel

A most successful Men's Bospiel was held the past week-end at the local curling club when rinks from North Bay, Noranda, Temagami, Englehart, New Liskeard and the home Club. Twenty-eight in all participated in the event.

There were some close and interesting games with several extra end ones to determine the winners.

In giving out the prizes the president, Clayton Dunn, thanked all who attended the spiel or helped in any way toward making it a success. John Knox who had charge of the prize committee assisted the president.

George Morissette was called on to present the Morissette Trophy and prizes which was the first event and was won by a rink from Tecagami skipped by Bill MacArthur. With him were Lockie Goddard, Jack Guppy and Keith Ewin.

The second prize went to Lorne Umphrey with John Knox, Ted Fritzegerald and Father Lapointe on his rink.

A New Liskeard rink skipped by W. Green got 3rd prize with C. Taylor, Pat O'Shaughnessy and Don Glashan.

Service-gifts to the Haileybury Branch of the Children's Aid Society. Along with these gifts the children gave \$25.54 towards the church's special appeal for help for the world's refugees.

We hear that arrangements are being made for all the protestant Churches of Haileybury to hold united services during the first week of the new year one service each night in a different church.

The mission Band of St. Andrew's United church was entertained following their meeting last Friday. They played games, made fresh popper corn, were given Christmas candy and sang carols.

They will not meet again until the first week in January.

In these days of cars, trucks and trailers, it was a refreshing sight, last Tuesday morning, to see a team of horses pulling a sleigh along the streets of Haileybury. They were wearing the latest in cold or rain protection blankets and were stepping right along as though they were enjoying life.

# Last Period Slump Wrecks Cub Lead Against Holy Name

New Liskeard Cubs led Holy Name Irish for two periods in the game played at Kirkland Lake Arena on Tuesday evening, and then the roof caved in. The Irish scored five unanswered goals in the last period to take the game going away.

Brazeau and Larouche supplied most of the scoring punch for the Cubs - Brazeau converted three assists by Larouche into a three goal hat trick, and Larouche got an unassisted counter. Belanger scored Liskeard's other goal.

Cubs appeared to have the game well in hand at the end of the second period and left the ice with a three goal lead.

But the Irish came out fighting in the third and in six minutes had beaten Jelly five times. Campbell got three for the Irish, Savage two, Skalicki, McCabe and Duff, singles.

The game was a clean one, with only seven penalties handed out. Holy Name picked up four of the total.
