## Curling Club Draws Debenture Payments

The third installment of the Bond Issue of the Haileybury Curling Club Limited was drawn on Saturday evening, April 9, at The Cobalt - Haileybury Curling Club. Thirty bonds to the value of \$1,500.00 were drawn under the supervision of Mayor Arthur H. Cooke, Wm. V. Fleming, and H. L. Umphrey. It was regretted that N. J. McAulay of North Bay who was chairman of our Bond issue in 1956, could not be present to assist in the draw as pressure of other business made it impossible for him to be present. Our bond issue financed our artificial ice plant and if it wasn't for Neil McAulay's initiative we might still be curling on natural ice.

It is surprising in looking back over the years when the club canvassed the town selling bonds, and the number of citizens who claimed that the club could never meet their bond payments. The club are as good as their word and anyone holding bonds, that have not as yet been drawn, can rest assured that when their bonds are

drawn the club will not default on their obligation.

The total bond issue was for \$28,600.00 as the club issued 572 bonds to 175 individuals. On April 12, 1958, the club had their first bond issue when 28 bonds were drawn valued at \$1,400.00. The second bond issue was paid on April 24, 1959, when 30 bonds were drawn for a value of \$1,500.00. That same evening two bonds were donated to the club at a value of \$50. each. This year the club drew 30 bonds to a value of \$1,500.00 That leaves the club still owing \$24,100.00 on the bond issue, or it should be said on the artificial ice plant.

The following list shows the bonds drawn last Saturday and anyone whose name appears below should deliver or mail their bonds to the Cobalt - Haileybury Curling Club P.O. Box 488, Haileybury, Ontario, and a cheque will be mailed immediately on receipt of the bonds.

Bond No. 301, W. R. Lowery & Son Limited; No. 89, Adele Maloney; No. 173, A. D. Hellens; No. 9, S. B. Bond; No. 437, Northern Metals Company; No. 55, Fred Austin; No. 227, John Renaud; No. 275, M. E. The parliamentary estimates for the year ending March 31, 1961, include contributions to international economic and special aid programs totalling \$65,553,645.

In 1958, some 25% of all electrical goods sold in Canada were imported from other countries.

## Bible Reading At St. Paul's

Members of St. Paul's Bible Reading Fellowship held their monthly meeting on Tuesday evening in the choir room with nine members present. The meeting was opened by repeating the Members' Prayer in unison.

The Bible reading for the day was given by Miss M. McQuaid, and the synopsis by Mrs. H. Johnston. This was followed by a discussion on the questions of the month.

The minutes of the previous meeting were read and adopted on the motion of the secretary, Mrs. T. Huff, seconded by Mrs. F. Cooper. A motion by Mrs. E. Young and Mrs. N. Abraham, that the bills be paid, was passed.

The lunch committee for the next meeting will be Mrs. E. Young, Mrs. J. Rundle and Mrs. G. Ninacs. The members were informed that a card had been sent to Mrs. Rundle while she had been in the hospital.

Following a motion of adjournment by Mrs. E. Young and Mrs. H. Johnston the members finished embroidering the tea towels and worked on repairing the choir hymn books.

Due to repairs at the parish hall, lunch was served at the home of Mrs. George Ninacs with Mrs. N. Abraham, Mrs. T. Huff and Mrs. F. Cooper serving.

## Mrs. E. Decker

Mrs. E. Decker, Albert Street, left Wednesday, April 13, by plane from Earlington, to fly to Moselle, Alsace Lorraine.

Mrs. Decker, who was 80 years of age on March 13th this year, has never been back since she left her country to come to Canada in 1906.

The number "13" has been an important number in her life. She was born March 13, was married November 13, has had 13 children, the boat she came to Canada, on sailed on June 13, she applied for her birth certificate ten years ago on June 13, she started on her trip back on April 13 and expects to arrive back in Canada on May 13.

Mr. Decker will be in Virginia-town, staying with their daughter, Mrs. James Bousque and Mr. Bousque, while Mrs. Decker is away.

Last Sunday afternoon, Mrs. Decker was pleasantly surprised when Mrs. W. Davies, Mrs. H. de Vries, Miss Jean Wilson, Mrs. George Kranz and Mrs. Dudley Huff, all members of the Baptist Church, visited her to wish her "Bon Voyage". Miss Wilson, on behalf of the group presented Mrs. Decker with a gift.

It is estimated that at least 90% of all physical work in a modern factory is done by power, mostly electrical.
