

Generous Response To Cancer Appeal

Under the direction of Mrs. S. B. Bond, the blitz for funds for the Cancer Society was a well organized and supported effort.

Mrs. Bond reported that \$996.00 had been turned in, with some donations still to be received.

Mrs. Bond allotted different sections of the town and area to the following Captains, who in turn each secured ten helpers, and in this manner, all parts of the town and out-lying sections were covered.

These captains were Alex Harrison, Miss Minnie Labine, Mrs. E. McDonough, Mrs. O. Childs, Ritchie Plaunt, Mrs. J. M. Shouldice, Mrs. C. Grozelle, Mrs. Ron Morissette, Mrs. Ira Murphy, Mrs. Ellis Mills and Mrs. D. G. Hogan.

Mrs. Bond spoke enthusiastically of the co-operation received, not only from those who did the canvassing, but from the general public who contributed so generously. Her sincere thanks go to them all.

School Trustees Meet at Cochrane

A Zone Meeting of the Ontario Public School Trustees' Association will be held in Cochrane on Saturday, May 7th, commencing at 2 p.m. in the Ferguson Public School, with Mr. Jack Thompson of the Cochrane Public School Board in charge of the programme.

Delegates from Temiskaming and Cochrane districts will be welcomed by Mayor M. A. Palan- gio.

Rev. E. A. Lorimer of the Cochrane Ministerial Association will open the convention with devotion- al exercises.

In the afternoon sessions there will be workshops dealing with such topics as:

(1) School financing: debentures, grants, salaries, transporta- tion, etc.

(2) School buildings and prop- erty: insurance, construction, re- pairs and renovations, heating, maintenance, caretaking, etc.

(3) Curriculum, Acts and Regu- lations, School Board Policy, etc.

There will also be a film shown on School Maintenance, and a panel of experts from the trustees will hold "Open Forum".

Dinner will be served in the Canadian Legion Hall at which Rev. R. D. MacDonald of Tillson- burg, a vice-president of the As- sociation, will be the guest speak- er.

President Mr. D. M. Bishop will also be in attendance and will take part in the programme.

It is expected that there will be delegates from most of the Pub- lic School Boards in Temiskaming and Cochrane district present at the meeting.

The Weather

Regardless of complaints about the weather, the records kept by Mr. J. Reavell show that the average daily mean temperature was only 2.3 degrees lower than the average since 1894, and on April 17th, 1933, the thermometer dropped to 17 degrees below zero!

For April of this year, the average daily temperature was 36.7 last year it was 39.0, which was also the average since 1894.

This year, the maximum was 58.0 on both the 22nd and 28th, last year it was 69 on the 23rd, and in 1915 and 1921, Florida tempera- tures of 87.0 were enjoyed.

The minimum for April this year was 17, for last year, 17, and since 1894, 17 below in 1933.

He was a 1957 graduate of Haileybury High School and is a junior in Mining Engineering and was one of M.T.'s most consistent and surprising skiers this season, as the team won six meets and went undefeated. They won state and mid-west championships.

Good News

(Continued From Page One) leads to the Department of Lands and Forests' offices has also been designated a development road.

In the field of education, Mr. Herbert will shortly accompany a delegation to Toronto from the Northeastern University Association. The delegation will present a brief to the minister of education outlining its position, with particular reference to the development of university facilities at North Bay.

Mr. Herbert said that a recent brief presented by the New Lis- keard chamber of commerce on the advantages of locating an Ont- ario hospital school for retarded children in this area had been well received in government circles.

"I have heard a number of favor- able comments from highly plac- ed persons," Mr. Herbert stated. He added that the prime minister's office has acknowledged receipt of a copy. "I am sure he will study it with interest upon his return to his office," he added.

Japanese Treasures in Holland

Before the opening up of Japan about 100 years ago, the only Europeans allowed to trade there were the Dutch. Some of the most beautiful Japanese work outside Japan is to be seen at The Hague —gifts from the Japanese emper- ors of the 17th and 18th centuries.

The real name of Grey Owl, not- ed for his work in the conservation of Canadian wild life, was George Belaney. He came to Canada from England, worked as a trapper and forest ranger, and was adopted into the Ojibway tribe.

Mrs. A. Johnson

Spanish Settlers Disappointed

The first settlers in the West Indies were Spaniards, but they did not stay long. They moved on to other conquests once it became clear that the gold they expected to find was not plenti- ful enough.
