“HERE’S WHY”

says Mr. Beep®

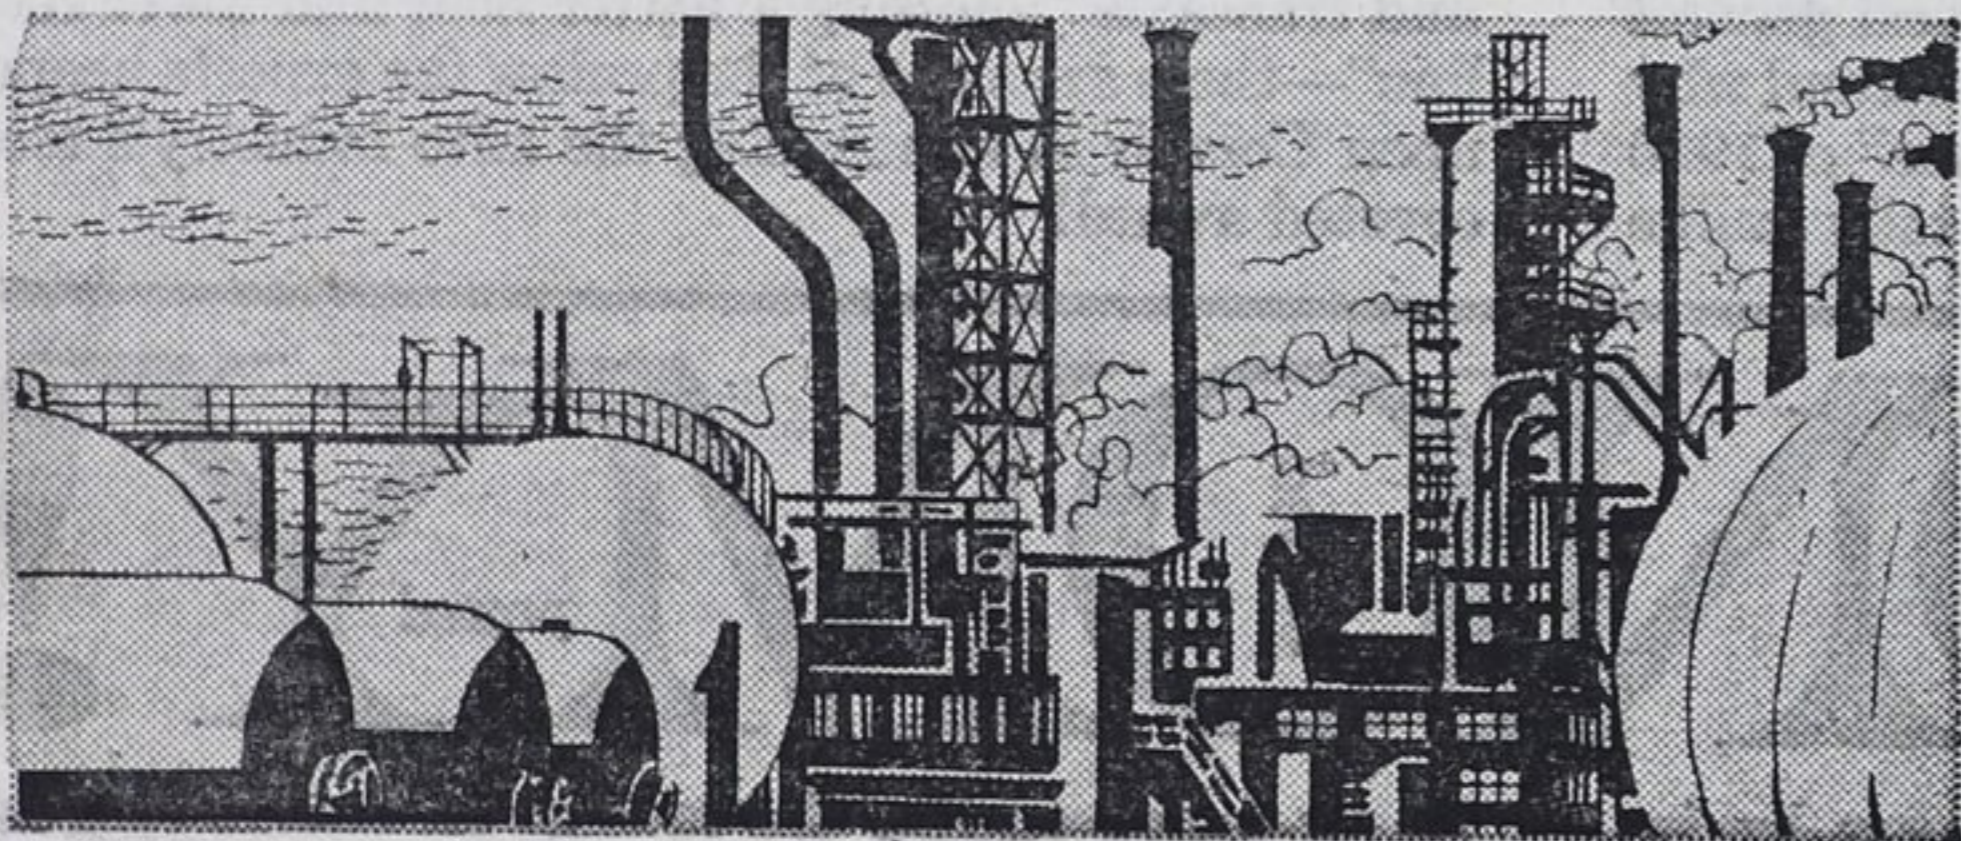

▲ FOR OVER 50 YEARS BP HAS CATERED TO MOTORISTS' NEEDS.

BP CONDUCTS A CONSTANT PROGRAM OF PETROLEUM RESEARCH. ▲

▼ BP REFINERIES OPERATE UNDER RIGID LABORATORY CONTROL.

BP SERVICE STATION DEALERS ARE ALWAYS CAREFULLY TRAINED. ▼

Now in Canada, as in 42 other countries, motorists are enjoying the benefits of BP's fifty years of world-wide experience in all phases of the petroleum industry. Next time your car needs gas, oil or lubrication, drive in to a BP service station. The superior petroleum products you get from BP are the result of a continuing program of research and rigid laboratory controls at the BP refineries.
