

*Who cares what
gasoline you buy?*

“YOUR CAR”

says Mr. Beep[®]

Take BP Super Gasoline. It's refined to meet the requirements of the modern automobile engine. It burns clean—keeping carburetor, pistons and valves clean too. BP Super Gasoline is climatized—refined to match prevailing weather conditions—to start easily at any temperature, to eliminate vapor-locks in summer and gas-line freezing in winter. Because you care for your car—always use BP Super Gasoline.
