

Ambrose Mullens of Kirkland Lake manages a smile after placing second in the five-mile swim from Haileybury.

A good hour ahead of her nearest competitors, Hert Herzog of Timmins won the five mile race Monday in great style. She kept up a fast pace all the way.

Jackie Neal of New Liskeard came in third in the five-mile swim from Haileybury to the New Liskeard Beach Monday afternoon. Seven entered, and Jackie was the last to stay the course.

Hope to Form Yacht Club In Haileybury

A long felt want for this area will be realized if plans of a few district men are completed.

James Whelan and D. Pelangio, two local sparkplugs behind a movement to set up a boating club in the district's largest and best-known lake, told the Speaker over the holiday week-end that a meeting is to be called at 8 p.m. on Thursday in the Hotel Haileybury.

"The meeting is for the purpose of probing the feelings of boat owners using the lake as to whether they would like to have a Timiskaming Yacht Club established," Mr. Whelan says. "If there is enough interest the details of its formation will be discussed."

He said a special invitation was being made to New Liskeard boat owners and those of other neighboring Ontario and Quebec communities to become associated with the idea and that membership would be open to all users of Lake Timiskaming.

Mr. Whelan also a town councillor, stated: "We feel it will be such a tourist attraction that municipalities themselves will want to contribute to its establishment."

Preliminary hopes are for a membership of 400 or more owners of yachts, boats and canoes. Eventual hopes are that each of the participating groups from municipalities on the lake will provide their own mooring jetties, gas and oil facilities for boats, as well as for the eventual building of a club house for members.

Apart from promoting the lake, one of the major objectives of the group, it is believed, will be the spearheading of a drive to have the waters cleared of stray pulp-wood logs.

A yacht club, however, will be nothing new for the town. Haileybury is believed to have had an active boating club before the 1922 fire.

Mr. Whelan says much interest has been displayed in the idea so far.

If established the club would also promote services for boaters in trouble on the water, water safety, search and rescue facilities, weather advice and other forms of aid to the boating public.

Interested parties are being urged to attend Thursday's preliminary meeting.

John Marchese won the grueling 10 mile bike race at New Liskeard Beach last week. John lapped the field early in the race and had little trouble in holding it in the final lap. About a dozen entered the race and most finished. The races were handled by the New Liskeard Jaycees and the trophy donated by the Chamber of Commerce.

Haileybury Personals

Mr. and Mrs. Lloyd Childs and daughter Beverley have returned from a holiday spent in Geraldton, Pawassan and Huntsville.

Mr. and Mrs. A. Sterba and children Anna and Vickie will be leaving next week for a holiday in Southern Ontario.
