COBALT—Seven members of Silver Nugget W. I. met at the home of Mrs. J. Yanyk recently for their first meeting of the Fall season. President Mrs. Roma Cooper chaired the meeting and welcomed two visitors to their fellowship.

A decision was made to hold meetings on the first Monday of each month because of the weekly bingos the W. I. hold each Wednesday in Cobalt.

The first payment of the 4-H Scholarship fund falls due this month and will be forwarded to the Secretary-Treasurer of the 4-H Scholarship in Cochrane. This is money collected over the past six months from members of each meeting.

The October meeting will be held at the home of Mrs. T. Leonard at which time the roll call will be a bingo prize. Each member is also asked to bring a new member to this meeting.

Happy Birthday was sung as Birthday Cups were presented to Mrs. D. Mathers and Mrs. D. Swaychuck. The prize of the month donated by Mrs. R. Cooper was won by Mrs. E. Jennings.

Lunch was served by Mrs. R. Cooper and Mrs. E. Jennings followed by a few games of bingo.

Winners of specials at the September 14 W. I. bingo were Mrs. A. Kennedy, Mr. D. Krelly of Toronto, Mrs. M. Beeson, Mrs. J. Murphy, Mrs. F. Chapman, Mrs. T. Leonard, Mrs. E. Jennings, and Miss N. Soucisse. Mrs. M. Cunningham won the door prize.

## It Isn't The Car

### A Ditty for Drivers

It isn't the car that begins to whine  
When forced to stop for an old  
stop sign —  
It's the driver.

It isn't the car that will take a  
drink  
Then quickly lose its power to  
think —  
It's the driver.

It isn't the car that fails to heed  
The dangers of reckless, discour-  
teous speed —  
It's the driver.

It isn't the car that steps on the  
gas  
And causes an accident trying to  
pass —  
It's the driver.

A car may be bent and twisted  
awry  
But it isn't the car that will have  
to die —  
It's the driver.

In Canada 6.2 per cent of the  
labour force consists of profes-  
sional people and 16.3 per cent are  
skilled persons, compared to 18.6  
and 32.9 per cent respectively for  
those classes in the U.S. labour  
force.
